

## LETTING WATER OUT OF LAKE AT GOLD RAY

The California Oregon Power company began today letting the water out of the big dam at Gold Ray for the purpose of clearing the reservoir and making some repairs to the dam where the timbers have been damaged by drift wood during the winter floods. It will take about ten hours to empty the big reservoir and a week or more to make the necessary repairs.

It has been seven years since the dam was first filled with water and during this time the power supply of the valley was dependent on the plant at Gold Ray, but with the completion of the plant at Prospect and the connection with the plants of the power company in California it will be possible to make the needed repairs at Gold Ray.

A number of repairs to the fishway are to be made and the crest of the dam is to be raised so that at low water the entire flow will be over the center of the dam opposite the fishway giving a deep channel which will guide all fish ascending the stream into the fish ladder.

## LOS ANGELES MAN BUYS MEDFORD DOMESTIC LAUNDRY

George E. Hart of Los Angeles has purchased through J. W. Dressler the Medford Domestic Laundry property on East Main street. It has 128-foot frontage on Main street and will be a very valuable property when the new bridge is completed. The purchase price is said to be \$12,500. Mr. Hart is greatly in love with the valley and says Medford is the greatest town for its size on the map, and he is backing up his judgment with realty purchases, having invested about \$50,000 near Medford the past year. Among his purchases is the old Gore property, a mile and a quarter south of town, fronting on the county boulevard. The property consists of 192 acres and Mr. Hart will plat it into five and ten-acre tracts.

Mr. Hart also visited Crescent City and predicts a great future for that town when the railroad is built from Medford to the coast.

## MARRIED.

Lois Fansher, daughter of Mrs. Isabella Fansher, was married on Sunday afternoon to Vernon B. Marshall, son of Mr. and Mrs. G. E. Marshall, Rev. D. D. Boyle of the Christian church performing the ceremony. Only a few friends of the family were in attendance. The Fansher residence was attractively decorated with Oregon grape and chrysanthemums and after the Episcopal ceremony a two-course luncheon was served. The bride's dress consisted of white crepe de chene over muslin, and she carried a spray bouquet of carnations. Her veil was surmounted with a wreath of rosebuds. Mr. and Mrs. Marshall have taken their new residence on Stewart avenue.

## SECOND TEAM WINS BALL GAME

The Medford second team of football though very much lighter than their opponents, were able to win a clean victory by speed, grit, and team work. And came home with the bacon from Ashland last Saturday.

Many who saw it pronounced it one of the snappiest games they ever saw. Rain kept down the attendance but did not prevent a host of "rooters" going over from Medford, and their voices on the side lines was a feature in the winning.

Three minutes after the game started Capt. Palonez got around the Ashland end and raced over for a touch down followed by an easy goal. Later Gates kicked a difficult field goal for Medford and that tells the story of the scoring.

Medford boys seemed to have the edge on their opponents in every department of the game, and only once was their goal in any danger. In the last quarter when Ashland's full back got around the end, but Ware spoiled it by a fierce tackle on Medford's 10-yard line. Then Medford held them for downs and soon Gates booted the ball far into Ashland's territory again.

The entire Medford team played like veterans all the time but special mention should be given to Palonez, Ware, Gates, Hess, Alder and Merrill.

The field at Ashland is loose sand and very slow. The playing was exceptionally clean and the officials uniformly just.

This is the first game for our second team but it will not be the last one.

## GOVERNOR MARSHALL FLAYS GOVERNOR JOHNSON

SAN JOSE, Cal., Oct. 22.—Before the largest crowd that he has addressed on his Pacific coast tour, Governor Thomas R. Marshall of Indiana, democratic vice-presidential nominee, followed up tonight his attack on Governor Hiram Johnson of California. Referring to Johnson's attack on conditions in Indiana, Marshall said:

"I feel it necessary to emphasize at this time the fact that in the state of Indiana every man will have an opportunity this fall of voting for his choice for president under the party emblem of their choice. No man in Indiana will be virtually disfranchised, as in California, by a machine-made election law such as your government has inflicted upon the voters of this state. Marshall's remarks regarding Johnson were applauded roundly.

## KELLY ISSUES DEFY TO BUD ANDERSON

Arthur Kelly, the Australian boxer who met Bud Anderson here some time ago arrived in town this morning and issues a challenge to Bud Anderson.

Kelly who was not acclimated when he met Anderson, having just withstood the hardships of a three weeks ocean voyage has been boxing in and around the Willamette valley and feels so confident that he can defeat Anderson that he is willing to appear for nothing if he does not win.

A lot of Medford fans were not satisfied with Kelly's showing on his appearance, claiming that he was not in the proper condition and think he should be given another chance at the Medford idol. While Kelly is not the rugged boy Anderson is, he is without a doubt the cleverest lightweight ever seen in this neck of the woods.

## LARGEST APPLE IN WORLD IS SHOWN

What is said to be the largest apple in the world is now on exhibition at the Commercial club. It was grown by Orchardist Houston of Sams Valley and weighs 37 ounces. It is 1 1/4 inches in circumference. The apple is a monster and resembles a summer squash more than an apple. It is a perfect specimen in every way.

## TRANSPORT PRAIRIE ARRIVES SAFELY WITH MARINES

WASHINGTON, Oct. 22.—Fears for the safety of the transport Prairie, carrying 750 marines, which had been out of touch with the government wireless since October 2, are at rest today following a despatch received from the missing vessel, stating that all is well, and that the ship is anchored off San Domingo City.

## CONGRESSMAN KENT BOOSTS FOR BOURNE

William Kent, congressman from the second California district, who made a great record for himself as a progressive, returned Monday to his home at Sacramento after a visit at Crescent City, coming inland by auto to Grants Pass. Congressman Kent is a great admirer of Senator Bourne and had the following to say of him:

"Senator Jonathan Bourne is justly regarded by members of both the house and the senate as one of the most useful public servants in Washington. He is indefatigable in his work on his senate committees. He has great influence in the commerce committee which deals with river and harbor improvements.

"To his tireless and intelligent work is due the passage of the parcels post bill through the senate. This measure had been rejected in the house, and the country can never appreciate what it means to have a 'man on the job.' This law will result in greatly lowering distributing costs, and the benefits under the zone system, will be shared alike by country merchants and by the rural population.

"Senator Bourne's great work in the struggle to restore popular government is not yet understood nor valued at its real worth. He has done more to make Oregon and Oregon plans known to other states than has any one in public life.

"It would certainly seem that Oregon should realize the value to Oregon of retaining such a man in public service. I cannot speak of local conditions, being ignorant of them, but among constructive, disinterested legislators of whatever party or faction at Washington, the loss of Jonathan Bourne would be deeply felt."

## The Best Cough Syrup is Easily Made at Home

Contains Little and Acts Quickly. Money Refunded if it Fails.

This recipe makes a pint of cough syrup, and saves you about \$2.00 as compared with ordinary cough remedies. It stops obstinate coughs—even whooping cough—in a hurry, and is splendid for sore lungs, asthma, croup, hoarseness and other throat troubles.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle, and add the Sugar Syrup. Take a teaspoonful every one, two or three hours. Tastes Good.

This takes right hold of a cough and gives almost instant relief. It stimulates the appetite, and is slightly laxative—both excellent features. Pinex, as perhaps you know, is the most valuable concentrated compound of Norway white pine extract, rich in guaiacol and the other natural healing pine elements.

No other preparation will do the work of Pinex in this recipe, although strained honey can be used instead of the sugar syrup, if desired. Thousands of housewives in the United States and Canada now use this Pinex and Sugar Syrup recipe. This plan has often been imitated, but the old successful formula has never been equaled. Its low cost and quick results have made it immensely popular.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
