

## PAINT SHOP ON GRAPE STREET BURNS

A fire alarm was turned in Tuesday morning about four o'clock from 301 South Grape street, at which number Noyes and Black have a paint shop.

The fire boys responded promptly but before the flames could be subdued the one-story frame building was burned beyond any possible repair. The stock of paint and tools were completely destroyed.

The origin of the fire is not known but is presumed to have resulted from a spontaneous combustion of old paint-besmeared rags.

This fire puts out of commission one of the oldest frame buildings used as a business house in Medford. Over twenty years ago it was built by Adkins and Webb at the corner of Main street and Central avenue and was occupied by Adkins and Webb as a hardware store until replaced by the three story brick building now occupied by T. E. Daniels. The building was moved south on Central avenue and was the Medford Tribune home for several years. In the fire, about a year ago, which consumed the Enyart-Carnahan frame building on South Central avenue this building was badly scorched, but was repaired and moved to the corner of Tenth and Grape streets, where it met its final devastation Tuesday morning. The building was owned by C. W. Palm.

## ARM BROKEN CHASING THIEF DOWN STAIRS

"Doc" Saunders, an Ashland barber, fell down the stairs in the lobby adjoining the Ugo Theater Tuesday and sustained a broken arm and finger. The police were notified and Saunders was taken to Dr. Porter's offices and the broken bones were set.

Saunders complained to the police that he had been robbed of \$50 and a gold watch in a room in the Ugo building and that in endeavoring to apprehend the thief he fell backward down the stairs. A suspect was taken into custody by the police but Saunders would not swear out a complaint against him and he was released Wednesday morning.

Saunders is the same fellow who was beaten and robbed on the Bear creek bridge about a year ago and for committing the crime Dick Thomson is now serving time.

## HARRY LEWIS' HOUSE AT GALICE IS BURNED

GRANTS PASS, Oct. 23.—A disastrous fire occurred Sunday afternoon which destroyed the old Harry Lewis house at Galice, now the property of John M. Fenn and J. J. McKeever. The fire started from a defective flue in the office adjoining the dwelling and spread so rapidly that in 15 minutes the house was but a heap of ashes, and there was no opportunity to save any of the contents. Both Mr. McKeever and Mr. Fenn and families were at home but at the time of the fire all had gone to the barn to quell a disturbance among the stock.

Mr. Fenn states that the loss was complete with the exception of a diamond necklace and a few articles which were saved by a stream of water being played on the flames where the jewelry was kept. The loss will amount to fully \$10,000 with no insurance. Valuables included household effects and wearing apparel, notes and bonds, money, law library and other books, and among other things a concession from Spanish Honduras giving exclusive permission to manufacture turpentine from 100,000 acres of pine timber.

The government through Federal District Attorney McCourt contested for the return of the entire plot.

## BULL MOOSERS AT CENTRAL POINT

Notwithstanding the Eastern Star banquet, band practice and other events the Flying Squadron of the progressive party had a large attendance at their meeting last night at the Central Point opera house. Out of the ordinary, on this special evening others than the quartered of the bull moose party who were following the flying squadron were given an opportunity to address the meeting, upon promises that they would hereafter confine themselves to their own quarters, and they got in their work satisfactory to all concerned.

Mr. Ware presided at the meeting, the first half hour was given up to the moving pictures, addresses were made by Messrs. Mears, Ratte, Ware and Boos, interspersed with short talks from Judge Kelly, candidate for prosecuting attorney, Col. Tou Velle, candidate for county judge, and Clarence Reames candidate for joint representative. Mr. Con Lee-er of Central Point, candidate for county commissioner also mingled among the crowds, all got in a good word for themselves, the meeting was considered a great success. The next meeting is held this evening at Ashland. In the afternoon the Ashland progressive club will be perfected and a large meeting for the evening is looked for.

## WIRELESS BRINGS RESCUE TO DISABLED STEAMER

SAN FRANCISCO, Oct. 23.—Another demonstration of the value of wireless telegraphy at sea was given here today when the steamer Watson arrived in port, towing the disabled steamer Camino, which encountered a seventy-mile hurricane last Saturday morning about 100 miles out of Astoria.

The Camino lost her propeller and for nearly six hours the passengers, including thirteen women, were at the mercy of the huge combers. Captain Ahlin locked the passengers in their staterooms and five hours after encountering the storm the Watson en route from Portland to San Francisco in response to frantic wireless calls from the Camino's operator, reached the side of the disabled vessel.

## RUSSIAN CROWN PRINCE REPORTED SERIOUSLY ILL

ST. PETERSBURG, Oct. 23.—That the condition of the Russian crown prince is a source of great anxiety to the imperial court and general public is evident here today. The nature of the accident which the prince met with is carefully guarded, but the fact that Dr. Raubach, the court physician, was summoned by telegraph, leads to the belief that the prince's case is serious.

## LA FOLLETTE NOT TO SUPPORT ANYONE

LA CROSSE, Wis., Oct. 23.—Neither Governor Wilson, Colonel Roosevelt, nor President Taft will get Senator Robert M. LaFollette's vote at the national election in November. The position of the Wisconsin senator is clear today, following his speech here last night in opening the state campaign.

"I intend to maintain an independent position in the presidential race," said LaFollette. "If Governor Wilson shows power as a progressive I want to help him, but I do not know what a two year progressive can do. I propose to fight him if he weakens under the pressure that is certain to be brought to bear."

## WEST PLANS UNIFORM COUNTY ACCOUNTING

SALEM, Ore., Oct. 23.—Governor Oswald West is today planning a scheme for installing a uniform system of keeping accounts in all the county governments of the state. He believes the plan will result in a big lessening of taxes and otherwise work great benefit. He would have the legislature endorse the plan, which would have all county officers report to the secretary of state on uniform blanks.

BOISE, Idaho, Oct. 22.—Governor Hawley announced tonight he would appoint a well-known man of northern Idaho to succeed Heyburn as senator. He declined to give the name, but it is said he referred to Judge W. W. Woods of Wallace, a democrat.

## POWERS ASKED TO KEEP HANDS OFF

BERLIN, Oct. 23.—That Bulgaria, Servia and Greece have asked the powers not interfere in the trouble between these countries and Turkey is the report current here today. No confirmation of the report can be obtained.

It is also reported that discord between the powers has resulted in the latter delaying their declarations of neutrality. Great Britain alone has issued such a proclamation.

ALPENA, Mich., Oct. 23.—Declaring that his collections were so small that "they wouldn't feed a sparrow," the Rev. A. J. Taylor, pastor of the Hillman M. E. church here, has "jumped his job" and is today on his way back to England.
