**LOCAL PROMOTER  
BARS JOHNSON**

Frankie Edwards, the local boxing impressario, has fallen in line with Tom McCarey, Jas. W. Coffroth and other promoters and placed the bar upon Champion Jack Johnson, the negro pugilist now on trial for contributing to the delinquency of a young white girl in Chicago.

When interviewed by a representative of the Mail Tribune this morning Mr. Edwards spoke thusly:

"While I have no feelings against the race to which Johnson belongs, I think this smoke is becoming too large, where his hat ought to fit and his audacious statement the other day that he "Could get any white woman he wished," should result in his elimination from the prize ring of America."

**\$6 RATE ON HAY  
TO FRISCO GIVEN**

As a result of efforts put forth by A. S. Rosenbaum, station agent at Medford, freight rates on hay from Medford to San Francisco have been reduced from \$11.60 to \$6 per ton and it is expected that there will be a considerable amount of hay shipped out of the valley as a consequence.

Hay in San Francisco is selling at \$22 per ton but even at this price the previous freight rates made its shipment to that point almost prohibitive. The hay crop of the valley this season was very heavy and in all probability a great number of carloads of this commodity will be shipped to the southern city.
