INTERESTING MEETINGS OF WOMEN'S CLUBS.

Owing to the kind efforts of the ladies of the Presbyterian church Medford people were given an opportunity last evening of paying a visit to each of the world's most interesting countries—within a few hours. The tour, starting from the church building, included France, Ireland, Mexico, Japan, America and Iceland. In sunny France (Mrs. H. U. Lumsden's home) bouillon and wafers were served. Decorations were the fleur de lis, the national flower. Mrs. Lumsden was assisted by Mrs. George C. Davis, Mrs. Hazel Davis, Miss Ruth Merrick and Mrs. Tee.

The residence of Mr. C. W. MacDonald was made to represent Ireland with a clever arrangement of gilt harps, shamrock and festoons of green. The table centerpiece was a kettle of "pratties." Mesdames W. T. York, E. E. Merrick, Will Campbell and Ed Campbell assisted. Mrs. MacDonald. The salad course was served. At Mexico, Mrs. H. G. Warton was generous to the tourists, with numerous native dishes, chili con carne being the piece de resistance. Japanese panels, lanterns, fans and embroidered pieces were very prettily arranged at the paragon, where Misses Frances and Lucile York, Esther Warner and Jean Budge in Japanese costumes served tea and wafers. At America, (residence of W. W. Ebert) flags and flowers in the national colors were a background for a reception tendered to Uncle Sam, Miss Columbia and the presidential candidates. Pumpkin pie, doughnuts and cheese regaled those present. Misses Lorraine Bliton and Irene Flynn furnished music. Mrs. Ebert was assisted in receiving by Mrs. E. N. Warner, Mrs. Theodore Marsh and Mrs. J. K. Hutchison. A number of young ladies served the refreshments. A very effective "finish" was given to the journey at the home of Mrs. C. R. Ray where every effort seemed to have been made to carry out the "arctic" idea. Pine trees, a deep covering of snow and the aurora borealis transformed the rooms in an effective manner. Mrs. E. A. Welch, Miss Mabel Ray and Miss Flora Gray were assistants to the hostess. Ice cream and cake were served.

Considerable interest is being manifested in the dance to be given by the Greater Medford Club on Halloween. The invitations are out and the entertainment committee, consisting of Mesdames Walter L. McCullum, (chairman), C. E. English, J. M. Root, W. W. Harmon, Wm. Mandly, E. H. French, C. L. Hutchison, Glenn Fabric are making every effort to have this the dance of the season. Their object is to give everybody a good time and in return those who attend will be helping the club to carry on its work. Anyone failing to receive his invitation will confer a favor upon the committee by notifying any of its members so that the matter may be attended to at once.

The regular monthly meeting of the Greater Medford Club will be held at 3 o'clock Monday, October 28, in the basement of the library building. These home-comings are looked forward to with great eagerness, as there exists a pleasant rivalry in obtaining new members, and the contest will soon be ended, and each circle is trying to be the successful one in gaining the largest number of new members by a given time. The proceeds from the rummage sale and chicken pie dinner netted a most gratifying sum to the treasury and the ladies are pleased with the part they have taken in fitting up the church with a handsome new carpet and a gas range which will add so materially to the comfort and convenience in serving refreshments. They are now well equipped with dishes, silverware and are prepared better than ever to do the work of a ladies aid. After a lengthy business session all repaired to the basement to spend a social hour and were served with light refreshments by a committee from the East Side Circle composed of Mrs. Wicks, Mrs. Mealy, Mrs. Hoon and Mrs. Heiste. A greater degree of effort toward furthering mutual interest in this city is manifest in the many ensemble organizations which have sprung into existence within the last few months. Competition is just as valuable to those who ply the music trade as to any other business or profession and should be hailed with delight to all who wish for culture and advancement in that line. Nearly every church of the city now has its own orchestra of four or more pieces. The Medford Concert orchestra is now established on a permanent basis and rehearsing diligently. ## Peevish Children Suffer With Worms

Don't be angry with your child because he or she is continually irritable. In ninety-nine out of one hundred cases you will find that the trouble is worms. Among the common symptoms of the presence of round worms are nervousness, which often leads to epileptic form attacks; dizziness, vertigo, capricious appetite, restless sleep, itching of the eyes and nose, nausea and often hysteria. Round worms are several inches in length and infest the stomach. Occasionally several hundred are found in a single person. Thread worms are smaller, often not long than a quarter of an inch. The symptoms denoting their presence are about the same, but in this case the child has no appetite. Jayne's Tonic Vermifuge is unsurpassed in removing worms. Not only will it destroy them, but its tonic effects will restore the stomach to healthy activity. As Jayne's Tonic Vermifuge seldom purges, the indications of its beneficial effects will be the improved condition of the person using it. Millions of parents have praised this medicine for more than eighty years. Insist upon Jayne's Tonic Vermifuge, and accept no other. Sold by druggists everywhere. Dr. D. ## Skiping Children

when it comes to the matter of care for the teeth, is not one of our maxims. In fact, we pay more attention to children's teeth than to adults, because the teeth of the young are most important. They can very often be saved altogether where an adult's cannot. We take the most scrupulous care with children's teeth, and have scores of them on our books as steady patrons. Lady Attendant DR.
