SPECULATORS BUSY AT T. R.'S RALLY

NEW YORK, Oct. 30.—Plans to arrest ticket speculators who expect to charge \$10 each for seats at Madison Square Garden tonight where Colonel Theodore Roosevelt is to speak tonight was arranged with the police today by progressive leaders here. The progressive meeting tonight will be addressed by both Col. Roosevelt and Governor Hiram W. Johnson of California. Colonel Roosevelt left Sagamore Hill at 3:55 o'clock this afternoon on a special train. During his stay in New York he will be the guest of Dr. Alexander Lambert, who hurried to Chicago from New York when the former president was confined in the Mercy Hospital there, right after he was shot by John Schrank.

SUFFRAGETTES RIOT AT HUNGARIAN DIET

BUDA PEST, Oct. 30.—Because of their violent opposition to Count Tisza's protest against universal suffrage, the members of the opposition in the Hungarian parliament, were met by a strong military cordon when they attempted to enter the house here today. The soldiers surrounded the parliamentary buildings and repulsed the opposition deputies led by Count Albert Apponyi, Count Michael Karolyi and Francis Kosuth when they tried to break through the lines.

It is stated that all of the other victims of the explosion are doing nicely.

The Need of a New Party

By C. P. Connolly Was there a real call for the progressive party, or was it a cloak for the personal ambition of one man? Mr. Roosevelt, as everyone admits, could have been renominated in 1908, and it is a safe assertion that he could have been re-elected. He refused the office, though he had held but one elective term. It is absurd to say that personal glory or overweening ambition which he spruened in 1908 possesses him in 1912. He was then in office, with all the power of office. Today he has no power of office—nothing but the will of a people, untrammelled except by conviction.

ELOQUENT SPEECH MADE BY WOOD FOR DEMOCRACY

Col. C. E. S. Wood delivered the most eloquent speech of the campaign to a fair sized audience at Moose hall Tuesday evening, a non-partisan address on fundamental democracy, its sociological and economic features that reflected in classic diction the scholarly learning of the orator and his broad sympathy for struggling humanity. Col. Wood traced the history of civilization from the Pharaohs of Egypt and the hanging gardens of Babylon, through the glory and decline of Rome, the feudal magnificence of Charlemagne, the splendor of the Louis of France to the present time and named as the one cause for all human misery, for the fall of nations and civilization—monopoly, the cause of tyranny, the cause of caste and class, the cause of slavery and human misery. "We have been able to find three kinds of monopoly—land monopoly, money monopoly, and the tax-gathering monopoly. These three kinds of monopoly are the cause of all of our inequalities and injustices. To them can be traced all our wrongs." Colonel Wood then discussed the candidates and their platforms, and said that the democratic platform was the only one that attempted to curb or eliminate monopoly. He said that the progressive platform advocated the perpetuation of monopoly by regulation and that it would control the taxing monopoly, the tariff by a commission, thus giving the president similar power to that of the Czar of Russia, who by two bureaus controlled both the corporations and taxation, thus in effect Russiandizing the American government. The speaker pointed out three instances, the Paul Morton case, the steel trust merger and the Panama canal, where Roosevelt had deliberately set aside and overridden the law of the land, and asserted that such a man, though he be picturesque, spectacular and well meaning, was governed too much by egotism to be trusted with such powers. Colonel Wood described Wilson's career and quoted at length from his speeches, urging him as the fittest man to represent the people at the head of the nation. He also dwelt upon the senatorial situation and urged the election of Lane as a supporter of Wilson to carry out his program.

EASY TO GET RELIEF FROM INDIGESTION

Your stomach should digest the food you eat, without the aid of any artificial digestives. If it won't do that, then you are continually subject to dyspepsia, indigestion, heartburn, headaches and constipation. Instead of taking digestive medicines, take steps to get your stomach and intestines again in a healthy, natural condition. Jayne's Tonic Vermifuge will do this for you if you will take it regularly. It is not a digester of foods, but it will restore your stomach and intestines so that they will attend to their natural functions, digesting what you eat and giving strength to the body. For more than eighty years thousands of men and women who had suffered the pains caused by dyspepsia and indigestion have been praising this Tonic as the only remedy which brought them permanent relief. As the Tonic acts directly upon the stomach and intestines, it is a natural appetizer and strength builder. Many forms of supposed indigestion are the result of intestinal parasites, for which Jayne's Tonic Vermifuge is unsurpassed. Insist upon Jayne's; accept no other. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.

TURKISH LEADER REMOVED FROM ARMY'S COMMAND

CONSTANTINOPLE, Oct. 30.—Official announcement was made tonight that Abdullah Pasha, the original commander of the Turkish army, has been dismissed for incompetence and that Nazim Pasha, the minister of war, is now in supreme command of the Ottoman forces. More than 300 officers and men were shot after the battle of Kirk Kiliseh for cowardice not counting scores slain by their officers as they fled. Hilmi Pasha, who was commanding a detachment at Kirk Kiliseh refused to retreat and he and all his staff were slain. Latest dispatches received here from Adrianople say that the Turks there repulsed the Bulgarian investing force by a bloody sortie. It is believed the main battle on the Rikone river is still in progress.

BEST \$5 HE EVER SPENT

Bristol, Pa., Man Says So In This Letter Months of suffering and anxiety over his condition caused Mr. A. L. Kennedy of Bristol, Pa., to write this letter. He says: "Grippe and a bad cough caused me much suffering and worry for five long months, but that is all over now for I have taken Vinol and am perfectly well. I took five bottles and it was the best five dollars I ever spent." In health one cannot realize how depressed a person may become after trying one remedy after another for such a condition as Mr. Kennedy was in, without benefit, or what a relief it is to find help and be restored to health and strength. It is the combined action of the medicinal curative element of cod-livers with the greasy oil, aided by the blood-making and strength-giving properties of tonic iron, that makes Vinol so efficient in overcoming chronic coughs, colds and bronchitis at the same time building up the weakened run-down system. We guarantee Vinol to give you perfect satisfaction. Medford Pharmacy.

WORDS FROM HOME

Statements That May Be Investigated Testimony of Medford Citizens When a Medford citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that back Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Medford resident. No stronger proof of merit can be had. W. P. Gould, 119 W. Jackson St., Medford, Ore., says: "I used Doan's Kidney Pills, procured at Haskins' drug store, and am pleased to say that they have given me more relief than any other kidney medicine I have ever taken. Other members of my family have also used Doan's Kidney Pills and the results have been so satisfactory that I do not hesitate one moment in giving this statement." For sale by all dealers. BEAVERS LOSE JOBS ON TEAM

PORTLAND, Ore., Oct. 30.—Walter McCredie shot a big hole in his team today as the result of the poor showing made by the Beavers in the late lamented Coast League race. Henderson, Koestner, Sutor and Harkness, pitchers, are up for sale or trade while Bill Rapps is not living up to his epitaph as a slugger and must relinquish his place on first to go to the block. The four pitchers named are all accused of falling down sadly this season. Suter, the Seat Import, went up like a charge of gunpowder as soon as he arrived here. Henderson remembers having seen a waterwagon sometime or other in his life but does not recollect just when. The league sluggers seem to have had no difficulty in ironing out the benders of Koestner and Harkness, so these lads are also in the assortment.

EFFORT TO DIVIDE CLACKAMAS COUNTY

ESTACADA, Ore., Oct. 30.—Determined impetus to the move to form Cascade county through a division of Clackamas county has sprung.

Representatives from seven precincts in the proposed new county at a meeting denounced the division court for opposing such a division and appointed a committee of seven farmers to institute action if possible against the court on the ground that the court has appropriated the taxpayers' money to fight those who favored annexation to Multnomah county in 1908.

MANY EXCELLENT POSITIONS OPEN

New Federal Law Compels Vessels to Have More Wireless Operators Many good positions are open to young men and young women in the field of "Wireless," and of commercial telegraph service. The passage of the new Federal law, effective October 1, compelling all seagoing vessels to be equipped with wireless instruments and manned by two competent operators, has created a great demand for operators in the marine wireless service. Federal laws now require railways to use more operators than ever before. The Morse Telegraph Company, of Seattle and Portland, works in close connection with wireless and commercial officials, and can place graduates in good position. It will pay you to write for full particulars.—Advt.

S.S.S. CURES OLD SORES

If an old sore existed simply because the flesh was diseased at that particular spot, it would be an easy matter to apply some remedy directly to the place that would kill the germs; or the diseased flesh might be removed by a surgical operation and a cure effected. But the very fact that old sores resist every form of local or external treatment, and even return after being cut away, shows that back of them is a morbid cause which must be removed before a cure can result. Just as long as the pollution continues in the blood, the ulcer remains an open cesspool for the deposit of impurities which the circulation throws out. S. S. S. cures Old Sores by purifying the blood. It removes every trace of impurity and taint from the circulation, and thus completely does away with the cause. When S. S. S. has cleansed the blood, the sore begins to heal, and it is not a surface cure, but the healing process begins at the bottom; soon the discharge ceases, the inflammation leaves, and the place fills in with firm, healthy flesh. Under the purifying and tonic effects of S. S. S. the system is built up, and those whose health has been impaired by the drain and worry of an old sore will be doubly benefited by its use. Book on Sores and Ulcers and any medical advice free to all who write.
