ford give: Wilson, 680; Roosevelt, 467; Taft, 1,248.

The total vote in New Bedford four years ago was as follows: Taft, 5,865; Bryan, 2,798.

ACUSHNET, Mass., Nov. 5.—An unofficial count of the voting here today showed more than a 500 per cent gain for Wilson.

Taft carried the town, which is always the first to send in returns, with 104 votes.

Acushnet gave Wilson a 150 per cent gain over the Bryan vote of four years ago. The vote, unofficial, today was: Taft 104, Wilson 52, Roosevelt 50.

In 1908 Acushnet gave Taft 118; Bryan 12.

NEW YORK, Nov. 5.—Up to noon today Charles Hilles, chairman of the republican national committee, had not appeared at republican headquarters here. There were but few workers there, and these would make no predictions concerning a victory for President Taft.

NEW YORK, Nov. 5.—Telegrams poured into democratic national headquarters here today reporting a record-breaking vote all over the country. Committeeman Wallace of Utah telegraphed that President Taft was leading Roosevelt there, and that the republican defection would be sufficient to give Wilson the state.

From Oregon National Committeeman King wired that an eleventh hour democratic landslide had struck and that Wilson would win with ease.

Committeeman Jones of New Mexico also wired his belief that Wilson would win there and Tom Taggart, from Indiana, sent word that the vote there was the heaviest in years.

NEW YORK, Nov. 5.—"Even if the progressive national ticket loses, the party wins, because we are sure to be second, making us the dominant." This was the statement made here today by Senator Joseph M. Dixon of Montana at progressive headquarters at noon. Dixon said he had no reason to change his prediction of a Roosevelt victory, but said he had received no word as to how the voting throughout the country was going.

DUBLIN, Maine, Nov. 5.—The first returns from any precinct in Maine—Harrison—gave: Taft, 11; Wilson, 7; Roosevelt, 4. In 1908 Harrison gave Taft 7 votes, Bryan 6.

BROCTON, Mass., Nov. 5.—Brocton republicans leaders admitted this afternoon that early fragments

of returns indicated that Wilson had carried Brockton, normally a republican city. Roosevelt is running second. The progressive candidate is leading here in the gubernatorial race.

SHIRLEY, Mass., Nov. 5.—Complete vote for Shirley: Roosevelt, 81; Taft, 74; Wilson, 83. Four years ago: Taft, 150; Bryan, 40.

BOSTON, Nov. 5.—With the largest vote of Boston's history in the ballot boxes, the polls closed here today at four o'clock. The democrats claimed Wilson's majority over his nearest rival would be 2,000. Last election Boston gave Taft, 41,259; Bryan, 41,456, with 4,766 scattered among independent, socialist, prohibition and socialist-labor candidates.

AVON, Mass., Nov. 5.—The vote here today was: Taft, 169; Roosevelt, 147; Wilson, 142; Taft, 79.

In 1908 the vote was: Taft, 169; Bryan, 116; Higgen, 31.

MARION, Mass., Nov. 5.—Vote: Roosevelt 73; Taft 85; Wilson 53.

BOSTON, Nov. 5.—Ten Massachusetts towns give: Roosevelt 847; Taft 787; Wilson 733.

Same in 1908 gave Taft 1,492; Bryan 459.

DOUGLAS, Mass., Nov. 5.—Roosevelt 67; Wilson 118; Taft 157.

BOSTON, Nov. 5.—First precinct in Boston to report gave Roosevelt 12; Taft 47; Wilson 165.

TEDDY CARRIES SOUTHERN CALIFORNIA BY 10,000

LOS ANGELES, Cal., Nov. 5.—At noon, when fifty per cent of the total vote in Los Angeles county had been polled, voting stacked up and this afternoon was reported to be tight. The Roosevelt men were working hard to get every suppurter to the polls.

Local socialists sported an extra heavy vote, and claimed that in nine precincts down town they had a clear majority over all the other candidates, and in nine others they claimed to have polled one-third of the total vote.

Democratic leaders declared Wilson would make an even better showing in Los Angeles than they had expected, and that Roosevelt will not go to the Tehachapi with more than 10,000 plurality.

Light Vote at Pomona

POMONA, Cal., Nov. 5.—Only about one-third of the registered vote had been cast here up to one o'clock this afternoon. Roosevelt leaders claimed three-quarters of the vote cast this morning, but conceded that Wilsonites are running stronger this afternoon.

Heavy Vote at Spokane

SPOKANE, Wash., Nov. 5.—The heaviest vote in the history of the city is polled with Roosevelt in the lead. The chief interest centers in the contest against a commission form of government.

Women Vote Early

SACRAMENTO, Cal., Nov. 5.—The women of Sacramento voted early and in large numbers. Following a meeting of the Tuesday club, a

social organization, automobiles took those in attendance to their precincts to vote. Nurses were provided by the Women's Wilson club to attend children while mothers voted.

BOISE, Idaho, Nov. 5.—Although rain began to fall heavily at noon over all of Southern Idaho, there was no let-up in the heavy voting. On account of the vast areas lying between the different constituencies it is difficult to sum up the general results at this time.

WALLA WALLA Vote Steady

WALLA WALLA, Wa., Nov. 5.—Despite the heavy rain the vote up to 1 p. m. has been steady. A heavy vote has been cast. All three parties claim the county but it looks favorable for Roosevelt, with Wilson a good second. In the gubernatorial contest Lister, democrat, seems to have the edge with Hay second.

Indian Chief Dies at 120

TRAVERSE CITY, Mich., Nov. 5.—Nov. 5.—Joe Manitou, Indian chief who was born on the banks of the Chicago river 120 years ago, is dead. He came to northern Michigan after the red men had been vanquished in their battle against the whites to gain the mastery of Illinois. For fifteen years he had lived in a hut at Cedar, his only surviving son attending him. He belonged to the Pottawatomee tribe.

His memory was clear until recently, and he could recall many details of early Indian wars in which he participated.

SNAKES KILLED 24,264 PEOPLE IN INDIA IN 1911

LONDON, Nov. 5.—According to a report just published in Simla, the number of wild animals destroyed in India in 1911 was 25,840 as compared with 10,282 in 1910. This total included 1,426 tigers, 5,352 leopards and 4,251 wolves. Nearly 175,000 snakes were destroyed as against 91,100.

This increase is largely accounted for by the offering of rewards by the Indian government. That this action was necessary is proved by the fact that in one area the paddy fields were so snake infested that their cultivation was impossible.

Altogether 1,947 persons were killed by wild animals and 24,264 by snakes, the figures for 1910 being 2,382 and 22,473 respectively. The number of cattle killed by wild animals was 91,709, against 93,070, and by snakes 10,533, as against 10,900.

With regard to snake bite of human beings it is said that in the Bombay presidency, the United Provinces and Eastern Bengal and Assam the use of Sir Lauder Brunton's Insects is reported in a number of cases, to have resulted in a high proportion of cures. As in previous years, however, the statistics relative to the successful use of this instrument can only be accepted with reservations.

For a cleanly bathroom use GOLD DUST

The bathroom should be given a daily cleaning and a weekly scrubbing. Nothing is better than a solution made by dissolving Gold Dust washing powder in water.

Thoroughly scrub and scald basin and closet with the hot suds and pour down the pipes boiling water to which has been added Gold Dust in proportion of two tablepoons of Gold Dust to every gallon of water.

Clean the nickel and brass fixtures in bathroom by rubbing with equal parts of whiting and Gold Dust washing powder.

Do not use Soap, Kerosene, Brine, Soda, Ammonia or Carbolic with Gold Dust. Gold Dust has all desirable cleaning qualities in a perfectly harmless and lasting form.
