DEMOCRAT LEADING IN NEVADA CONTEST

WILSON TALKS OF FUTURE PLANS AND EXPECTATIONS

PRINCETON, N. J., Nov. 6.—That Rooseveltian strenuosity and peculiarities are taken with the 28th president of the United States was made quite evident at the Woodrow Wilson bungalow early today.

While admirers of the president-elect were celebrating his success far into the morning, and while the members of his family, early astir, were flattering about the house in undisguised ecstasy, the newly chosen chief executive was peacefully "pounding his ear."

Wilson announced that he was going to bed, and proposed to sleep until noon. He had not yet received the telegrams of congratulation sent him by President Taft and Colonel Roosevelt, although he knew that they had been sent.

Pressed for a statement on the result of the election, he said, before he retired: "If I make any statement at all it will be made Wednesday. These things are too big to discuss offhand tonight."

To Take Brief Rest Governor Wilson had no plans for the day, though it was the early expectation that Chairman McCombs and some of the campaign committee from New York would visit him during the afternoon.

The new chief executive also has no definite plans for the immediate future, though it is expected that, accompanied by Mrs. Wilson, he will go to some southern resort for a rest.

He has indicated that he will continue as governor of New Jersey up to the time of his inauguration. He wants to serve through the next session of the legislature in order to lead in the legislative reforms started under his administration, and he cannot afford to resign for financial reasons.

Faculty and students at Princeton gave no evidence of celebrating the end of their celebration during the early hours of the day.

Princeton Jubilant Counting his undergraduate days, Wilson has lived here in close connection with the university for twenty-seven years.

Wilson has an eye for a proprietary interest in him, and especially as his election typified a victory over Yale and Harvard as represented by President Taft and Colonel Roosevelt.

The feeling here today is much the same as though Princeton had beaten Yale and Harvard combined in a football contest.

TOU VELLE ELECTED (Continued from Page One) by some of the friends of his opponent.

On the other hand Ashland and the south end of the county were strongly for Mr. Dunn. Ashland had not the strength however to pull her candidate through.

Dunn will receive less than 200 votes in the city of Medford. In five of the nine precincts with the vote complete he had secured just 97 votes.

The following are a few results by precincts: Gold Hill, Dunn, 83; Tou Velle, 89; Eagle Point, Dunn, 101; Tou Velle, 108; North Jacksonville, Dunn, 63; Tou Velle, 52; South Jacksonville, Dunn, 49; Tou Velle, 46; Woodville, Dunn, 55; Tou Velle, 61.

Twenty-four precincts out of forty-five give Dunn, 993; Tou Velle, 1274; with the heavy Medford precincts yet to hear from.

Judge E. E. Kelly has swept into the office of prosecuting attorney, defeating Herbert Hanna by a heavy lead in this county estimated to be in the neighborhood of 1000 or 1200. Josephine county is against Kelly by possibly 150 votes, according to reports today.

Clarence L. Reames, for joint representative has secured nearly a 2 to 1 vote in this county over C. E. Whisler. He also carried Roseburg but lost Douglas county. His lead here however will carry him through.

August D. Singler defeated Wilbur Jones for sheriff by 500 votes. He seemed strong in all sections.

Indications today point to the election of G. A. Gardner, county clerk, W. T. Grievie, county assessor; J. M. Cronmiller, treasurer; Fred L. Colvig, recorder, and T. W. Osgood, surveyor.

In the legislative fight the race is very close between Carkin, Westland, Barkdull and DeArmond and it will take a full count to decide the matter.

Suffragist amendment, in 15 precincts, yes, 633; No, 423.

OREGON SAFE FOR WILSON BY NARROW MARGIN

PORTLAND, Nov. 6.—Oregon has gone for Woodrow Wilson as far as can be judged from the returns that have so far come in this afternoon. For the most part these returns are from precincts in Portland, with only a scattering few from the state outside.

Close behind Wilson presses the bull moose candidate, but the significant fact to the figures is that Wilson's small plurality is steadily maintained with each new set of returns and is slowly increasing.

In Portland President Taft was less than 200 votes behind Roosevelt and less than 600 behind Wilson.

The indications, however, are that Wilson will carry the state by a plurality of from 1,900 to 5,000.

Returns from outside of Multnomah county are almost invariably in Wilson's favor with Roosevelt generally running a rather strong second.

Ben Selling, republican, leads Senator Bourne for the senatorship by 639 votes this afternoon and Bourne in turn is only 232 votes ahead of Dr. Lane, democrat, in returns from 79 precincts in Multnomah county and from 13 other counties in the state.

Selling's vote as indicated in these returns is 5639. Bourne has an even 5,000 votes and Lane is third with 4,768 votes. A. E. Clark, progressive nominee is out of the race with only 1,539 votes.

Suffrage is running behind in the city of Portland but very incomplete returns from the outside counties indicate that the women are in favor there and that the measure will receive good majorities.

N. J. Sinnott of The Dalles, was chosen for congress by the new Eastern Oregon congressional district by two to one.

NATIONAL LEAGUE TO OPEN APRIL 10

NEW YORK, Nov. 6.—It was announced here this evening that the big leagues will open their 1913 season April 10. Ban Johnson will arrange the American League schedule, while President Lynch, Secretary Heydler and Garney Dreyfuss of the Pittsburgh National League club will frame the schedule for the older organization.

TO WED DIPLOMATIST.

NEW YORK and Pittsburgh society reported quite a surprise when the announcement was made that Miss Therese E. Iselin, daughter of Mr. Adrian Iselin, is to wed Irwin H. Laughlin, son of the late Major George M. Laughlin, of Pittsburgh. Mr. Laughlin has held several posts in the diplomatic service. He is at present First Secretary of the United States Embassy at Berlin.

CALIFORNIA WON FOR WILSON BY 15,000 PLURALITY

SAN FRANCISCO, Cal., Nov. 6.—That Wilson has carried California by from 10,000 to 15,000 is indicated by the latest returns, and if the Roosevelt vote in the south continues to shrink there is a bare possibility that the democratic plurality will be more than 15,000.

Chairman Davis of the democratic state committee is strongly of the same opinion and as he was inclined on Tuesday night to claim the state by 20,000, even while Los Angeles' showing was far better than it is today, his estimate is considered conservative. Definite figures are not expected before tonight or tomorrow.

The surprisingly large Wilson vote in San Francisco, aided by the Wilson pluralities in San Diego and Fresno counties, with a few of the smaller counties not previously counted upon by the democrats, were responsible for the turning down of the Roosevelt electors. The Taft followers, of course, were the main factor. They "plumped" for Wilson all over the state.

TOU VELLE LEADS IN LATE COUNT

At 3 p. m. today the count stood: Incomplete, North Central Medford precinct: Dunn 18, Tou Velle 165, Kelly 148, Hanna 23, Singler 114, Jones 59. Incomplete Oakland: Dunn 26, Tou Velle 123, Kelly 120, Hanna 22, Singler 86, Jones 59.

TAFT PROVES GOOD LOSER

CINCINNATI, Nov. 6.—According to a friend who was with him when he received the election returns at the home of his brother, Charles P. Taft, the president maintained his good humor and broad smile even when it became apparent that Wilson was going to sweep the country.

"We've got to find some comfort in this," the president is reported to have said. "I'll be very glad to ride down Pennsylvania avenue with Governor Wilson. It wouldn't have been so easy if things had been different, but I would have taken the ride just the same."

NORTH DAKOTA FOR WILSON BY 10,000

GRAND FORKS, N. C., Nov. 6.—That Woodrow Wilson's majority in the presidential race in North Dakota will be about 10,000 is indicated by returns received late today, 402 precincts out of 1720 in the state or a little more than one-fourth, giving Wilson 9,794 to Taft's 7,296 and Roosevelt's 7,343. Wilson's election has been conceded by republican state headquarters. The fight for governor as returns become more complete today shows that L. B. Hanna, republican, and F. O. Hellstrom, democrat, are running neck and neck, with W. D. Sweet, progressive, a poor third.

LISTER LEADING IN TACOMA PRECINCTS

TACOMA, Wash., Nov. 6.—With Ernest Lister leading by a small margin in the city precincts, while Hodge is coming well to the front by the country vote, the fight for the governorship of Washington in Pierce county is yet in doubt. Hay is beaten here.

The entire county progressive ticket appears to have been elected. Progressives are assured of ten representatives and three senators in the state legislature. Dr. N. Jolindman Croake, the woman candidate for state representative from the 37th district on the progressive ticket, won by a large majority.

Indications are that all the constitutional amendments have carried in the county, those initiative, referendum and recall having polled particularly strong.

The port district of Tacoma, it is believed, has been defeated.

SMITH TO LOSE JOB IN FEDERAL SENATE

DETROIT, Mich., Nov. 6.—The News, bull moose organ late today predicted that United States Senator William Alden Smith, would not be re-elected by the incoming legislature which, while uncertain, was positively not so strongly republican as the legislature of six years ago.

ALWAYS CONQUERS RHEUMATISM

Thousands of persons have been rescued from the tortures of Rheumatism and restored to perfect health by the use of S. S. S. So uniform are the good results from its use that we do not hesitate to say S. S. S. always conquers Rheumatism if given a fair trial. You can never cure this deep-seated disease with external treatment, such as liniments, plasters, blisters, etc. These may furnish temporary relief but they do not reach the blood where the real cause is located. Rheumatism is rooted and grounded in the blood and must be driven from its stronghold there before permanent relief can be had. S. S. S. conquers Rheumatism by driving from the circulation the excess accumulation of uric acid which is responsible for the disease. S. S. S. strengthens and invigorates the blood so that instead of a weak, sour fluid, causing pain and agony throughout the system, it becomes a nourishing stream furnishing health to every portion of the body and relieving every symptom of Rheumatism. If you do not conquer Rheumatism it will conquer you. S. S. S. is the one remedy you can depend upon for good effects. Book on Rheumatism and medical advice free.
