HIRAM'S OFFICE PUTS ON MOURNING

SACRAMENTO, Cal., Nov. 6.—No sadder morning in the office of the governor of California has been witnessed in years than that of today, when the last hope of saving the state for Roosevelt and Johnson was given up.

STING OF DEFEAT FELT BY TEDDY

OYSTER BAY, N. Y., Nov. 6.—Colonel Roosevelt again took up the cudgels today and laid plans for the continuance of his fight. The colonel seemed much encouraged by the fact that the progressives had run second. But the sting of defeat was noticeable in the manner of the bull moose leader.

U'REN WILL RUN FOR GOVERNORSHIP

PORTLAND, Ore., Nov. 6.—W. S. U'Ren, reputed father of the Australian ballot in this state and said to be the first to propose the reform measures of initiative, referendum and recall today announced his candidacy for governor of the state.

NEW HAMPSHIRE ALSO IN LINE FOR WILSON

CONCORD, N. H., Nov. 6.—Wilson carried New Hampshire by a small plurality, according to latest returns, which cannot be changed by returns from the small places yet to be heard from. This gives Wilson a clean sweep of New England, excepting only Vermont.

BULL MOOSERS CLAIM 5000 IN S. DAKOTA

SIOUX FALLS, S. D., Nov. 6.—It is claimed by bull moosers today that Roosevelt has carried South Dakota by not less than 5,000. Republicans claim Frank M. Byrne has been elected governor by at least 6,000, while democrats claim the election of Edwin S. Johnson their candidate, by from 2,000 to 3,000. Returns as yet are far from complete.

KENTUCKY LANDSLIDE FOR DEMOCRATIC TICKET

LOUISVILLE, Ky., Nov. 6.—Democrats in Kentucky rolled up an enormous plurality for Wilson and Marshall, elected nine out of eleven congressmen and carried the state by a handsome plurality over both opponents for the presidency.

RESULT DEPLORED BY PRESIDENT TAFT

CINCINNATI, Ohio, Nov. 6.—The following statement was issued by President Taft last night at the home of Charles P. Taft: "The returns insure the election of Governor Wilson to the presidency. This means an early change in the economic policy of the government in reference to tariff. If this change can be made without halting prosperity I sincerely hope it may be. The vote for Mr. Roosevelt, the third party candidate, and for Mr. Debs, the socialist candidate, is a warning that their propaganda in favor of fundamental changes in our constitutional representative has favorable support. While the experiment of a change in the tariff is being carried out by the democratic administration, it behooves republicans to gather again to the party standard and pledge anew their faith in their party principles and to organize again to defend constitutional government handed down to us by our fathers.

MANY EXCELLENT POSITIONS OPEN

New Federal Law Compels Vessels to Have More Wireless Operators. Many good positions are open to young men and young women in the field of "Wireless" and commercial telegraph service. The passage of the New Federal law, effective October 1, compelling all sea-going vessels to be equipped with wireless instruments and manned by two competent operators, has created a great demand for operators in the marine wireless service. Federal laws now require railways to use more operators than ever before. The Morse Telegraph company, opposite the Orpheum Theater, Seattle, operates in close connection with wireless and commercial officials, and can place graduates in good positions. It will pay you to write for full particulars.
