SEATTLE, Wa., Nov. . . - While the first returns giving Roosevelt and overwhelming plurality in the state turns speak for themselves. are being confirmed by the official returns being compiled here it is apparent that the rest of the progressive ticket has been slashed unmerci-

It is barely possible that the two congressmen at large may be progressives, and that Dan Landon, progressive, may defeat Will E. Humphrey, republican for the first con-gressional district.

Ernest Lister, democratic, is probably elected for governor. With the exception of Byron Phelps, progressive for auditor, and Ed Couline democrat for sheriff, the county ticket has gone republican.

The initiative, referendum and, reealf amendments to the state constitution carried easily.
