So when we tell you that we have found the eczema remedy and that we stand back of it with the manufacturer's iron clad guarantee backed by ourselves you can depend upon it that we give our advice not in order to sell a few bottles of medicine to skin sufferers, but because we know how it will help our business if we help our patrons.

We keep in stock and sell all the well known skin remedies. But we will say this: If you are suffering from any kind of skin trouble, eczema, psoriasis, rash or better, we want you to try a full size bottle of D. D. D. Prescription. And, if it does not do the work, this bottle will cost you nothing. You alone to judge.

Again and again we have seen how a few drops of this simple wash applied to the skin, takes away the itch, instantly. And the cures all seem to be permanent.

D. D. D. Prescription made by the D. D. D. Laboratories of Chicago, is composed of thymol, glycerine, oil of wintergreen and other healing, soothing, cooling ingredients. And if you are just crazy with itch, you will feel soothed and cooled, the itch absolutely washed away the moment you applied this D. D. D.
