

### POWER CONCERN OFFERS GRANTS PASS 2 PERCENT REVENUES

The California-Oregon Power company has asked Grants Pass for a 40-year franchise for its system and service, offering as inducements two per cent of the gross revenues of the company within the city, and certain concessions in the way of lights for the streets for ten years of the period, with renewal at the end of that time.

Its proposal for lights was to supply 102 clusters, each with three 40-watt lights; 304 individual 40-watt tungsten, and one 100-watt tungsten, all at \$300.36 per month. The company is at present making a charge of \$300 per month for a 247 light installation, which would make an increase of 100 new lights at the price that is now being paid.

At present the company holds no franchise. The proposal was referred to a special committee composed of the mayor and Councilmen Daniels and Clark, for investigation and report. The same committee is also investigating a proposition made by Geo. Sanders for supplying electricity to the city from the Ament dam, the city to own the distributing system.

### TEDDY TO EXAMINE SCHRANK FOR SANITY

MILWAUKEE, Wis., Nov. 9.—District Attorney Zabel here today telegraphed Colonel Theodore Roosevelt requesting him to appear Tuesday against John Schrank when the sanity commission is to examine him.

If Schrank, who attempted to assassinate the former president recently, is found sane he will be asked to plead.

The maximum penalty in Wisconsin for attempted murder is fifteen years.

### TURKS AGAIN WIN "BRILLIANT VICTORY"

CONSTANTINOPLE, Nov. 9.—It was officially announced today that Turkish forces won a brilliant victory at Amaras, near Constantinople after thirty-five hours of the bloodiest fighting of the war. Foreign residents here do not credit the report.

The bulletin said the Bulgars retreated, leaving many dead and wounded on the field.

### SPANOS ADMITS HE ASSISTED (Continued from page 1.)

After having had the foregoing read to me I affix my name.

MIKE SPANOS.

### Witnesses:

W. A. JONES,  
LOUIS EATON,  
J. A. NORRIS,  
HARRY H. HICKS.

Nears a Break Down

For several days past Spanos has been nearing a breakdown. Fearing that he would attempt to end his life Sheriff Jones has had every article removed from his cell with which he could injure himself and he is under almost constant surveillance. He spends a great deal of his time in pacing up and down his cell and the strain he is under is telling on him severely. Evidently wishing to free his mind he summoned Sheriff Jones Friday and made a complete statement.

Frank Seymour, whose confession may now be accepted as the full truth, inasmuch as Spanos has told practically the same story, does not seem to be worried as to the outcome. He has not lost his nerve and still jokes about the crime, evidently without remorse. The only sign he has shown of breaking under the strain was when he was informed of the result of the state-wide poll on capital punishment. The word that the people of Oregon had voted in favor of hangings unnerved him for a time but he quickly regained his composure.

It is now believed by the authorities that Seymour and Spanos failed to get any great amount of money following the murder. The whereabouts of the missing \$700 is still a mystery, and one which may never be penetrated.

Bert Cummings who is held as an accomplice before the fact continues to maintain that he is innocent of the crime. He insists that he turned down the proposal on the part of Spanos to get the Greek's money and that Seymour was subsequently taken in by Spanos to help carry out the robbery.

### TURKS DAY DONE ASSERTS CARDINAL

PASADENA, Cal., Nov. 9.—Cardinal Farley arrived in Pasadena today after an automobile trip through San Gabriel valley. Asked what attitude he expected the Christian nations to take following the declaration of a holy war by the Muzzins, he said:

"If you had asked me that question about 400 years ago when the Pope had some temporal power, I would be able to give an answer to it. Since the Pope has lost this power, there is a lack of coalition among the Christian nations and it is absolutely impossible for me or anyone else to attempt to figure out what their attitude will be. Rightly speaking, there is no such thing as the attitude of the Christian nations at all. Each nation has its own attitude and is so bound up in its own ambitions that none of them hold the point of Christianity."

"I can tell you one thing, however, confidently, and that is that the day of the Turk in Europe is done. I have traveled through the country and it is all run down and rotted away. The Turk has not appreciated the opportunities there."

### OREGON WOMEN CAN'T SERVE UPON JURIES

PORTLAND, Ore., Nov. 9.—Oregon women are going to be denied the fruits of their newly acquired suffrage to the extent that they will positively not be allowed to serve on juries, petit or otherwise, anywhere in the state. The "Oregon system" specifies "for men only" when it comes to jury duty and a speedy declaration of war is expected from the suffragette camp. There are several kinks in the naturalization laws that have to be ironed out before many foreign women now in the state will be allowed to cast their ballots.

### Singler's Appreciation

To the Public: I wish at this time to sincerely thank my many friends and the voters for the loyal and magnificent support given me at the recent election. I want also to especially express my appreciation for the kindly assistance rendered me in this campaign by the ladies of this county, whose valuable influence in my behalf made my election possible and certain.

I desire at this time to repeat what I said before the campaign, that I will use my utmost endeavors to perform the duties of the office of sheriff with impartiality and fairness to all, in a most efficient and economic manner, in the interests of the taxpayers and the community at large. I feel confident that my efforts and results obtained during my administration will fully justify the confidence placed in me.

Again assuring you of my thorough appreciation, I remain,

Respectfully and faithfully yours,  
AUG. D. SINGLER.

### TURKISH HOLY WAR PROCLAIMED

PARIS, Nov. 9.—Contradictory reports poured in here today regarding the situation at Constantinople. One report stated that the head of the hierarchy in Turkey Shiek-Ul-Islam, had proclaimed a holy war to incite the Mohammedans to massacre Christians. Still another despatch said the Sultan was preparing to transfer the capital across the Bosphorus.

Bulgarian military officials today denied their forces had captured the Tehatalja forts, but this is believed by many to be a ruse to prevent the powers from protesting against the entrance into Constantinople of the Bulgars.

Occidental diplomats today are furious over Bulgaria's evident intention to enter the Moslem capital at any cost. They declare occupation of Constantinople is unnecessary and that it would end in needless butchery of thousands of Christians.

### RAISED PRICE UPON NAVY YARD SUPPLIES

SEATTLE, Wash., Nov. 9.—Damaging testimony was introduced in the trial of Edwin F. Meyer, former employe at the Bremerton navy yard, who is charged with defrauding the government. Lavel Johnson testified that the government paid \$75 for a dough trough that did not come up to specifications and cost \$25. J. P. Neiman, of the Standard Furniture Company, told of a refrigerator that had been rejected by Meyer, having been bought after Meyer had been induced to accept it.

fight the triple alliance.

The crisis is considered so grave that the British cabinet met in special session at the foreign office today. If Serbia had only left Austria's demands to arbitration, even consented to negotiate or have waited for a few days, diplomats think there would have been good grounds for peace. But Serbia's step is vital and all now hinges on whether Austria makes good her threat by throwing a fighting force into Servia.

### Battleships Sail

A despatch received from Malta tells of the departure of the British battleships Hibernia, Britannia, Conqueror and Dominion, and the cruisers Blackprince and Cumberland under full speed to a point somewhere in Near Eastern waters. The warships are proceeding under sealed orders.

Austria and Russia have mobilized troops and Germany is in a position to mobilize its army quickly. Italy's Tripolitan veterans stand ready to fight at a moment's notice.

The French war office today cancelled all leaves of absence. Diplomats are working frantically to preserve peace, but with little hope of success.

### LANE SAFELY IN LEAD WITH 1155

PORTLAND, Nov. 9.—Harry Lane is holding his lead in the count for United States senator. With only two counties unreported and returns complete from all but four counties in the state Lane is 1,155 ahead of Ben Selling, the republican nominee, and 11,672 in advance of Jonathan Bourne, who ran independently.

The vote in the state now gives Lane 37,306; Selling 36,151 and Bourne 25,634. There are no returns from Lake and Curry counties. The wires are down in Curry and the count in Lake county is very slow. It is not believed that either county will do any damage to the lead of Lane.

### PRIZES AWARDED FOR ESSAYS ON SUFFRAGE

The committee of awards in the essay contest in the schools arranged by the local Equal Suffrage club has awarded first prize in the high school class to Miss Olga Anderson, and in the grammar school class to Lorraine Cowgill. The prizes will be given these two if they will call at the Mail Tribune office.

### ROMANIA VOTES COIN TO BUY WAR MATERIAL

LONDON, Nov. 9.—Further large sums for the purchase of war material has been set aside by the Rumanian government, according to a dispatch received here from Iulia today by the London Times. Rumania, it is said, intends to equip the army at once to its nominal strength of 400,000 men.

### BLOODHOUNDS FOLLOW TRAIL (Continued from page 1.)

the bandit. Without giving the robber an opportunity to surrender, Yonkum opened fire. Two bullets went wild, and the same number from the bandit's revolver missed the mark. A third shot sent the highwayman tumbling from the cab, mortally wounded, but he kept up the fire until he had emptied his revolver.

Two of the bullets whizzed over Yonkum's head, a third passed his hat, but he escaped unhurt.

The bandits in the mail car became apprehensive with the first shot. Snatching three sacks of registered mail, they fled through the open door. They saw their companion pitch from the cab, and then made for the foothills. The wounded bandit lived only a few minutes.

A posse was immediately organized and the search for the two men continued all night. It is not believed they can escape. Nothing was found on the dead bandit that would lead to his identification. One of the mail clerks said he heard one of the other robbers refer to the man in the engine as "Frank."

### LIFE SENTENCE FOR BREAKING HIS PAROLE

PORTLAND, Ore., Nov. 9.—William Wilson, convicted of holding up E. J. Hawkins July 30 in Hawkins' drug store and relieving him of \$27, and also found to have broken his parole from the reformatory at Hutchinson, Kan., in 1910, was today given a life sentence by Circuit Judge McGinn.

Oregon is the only state in the union where a prisoner committing a crime after breaking parole, may be given a life sentence.

In pronouncing sentence Judge McGinn stated he would stay up all night to keep a man from the penitentiary if reason so dictated, but would also stay up all night to send a man there if such action were justified.
