

## SOCIAL TO AID DISTRESSED FAMILY

There is in Eagle Point a chance for genuine, downright generosity. There is a home where worry and work have crowded out about everything else, even the time to rest. The man of this house has been ill for months, unable to work, therefore the entire burden of supporting a family of seven has fallen upon the shoulders of one small woman. Through the summer she has carried it alone and bravely, thinking it her duty to be self-supporting if she could. Now, with approach of winter and its added expenses, the burden has become too great. She can no longer make both ends meet.

Therefore, what easier, pleasanter, more truly charitable way of helping this deserving, overworked little woman than by a benefit box supper, to which, we're sure, every lady in and around Eagle Point will bring a box—for which boxes, we're again certain, every man will bid the limit of his pile. Human sympathy is on tap in every heart, and, ladies and gentlemen, we appeal to it most earnestly. Come to our free entertainment and, if you like it, express your appreciation by a man-size bid for a box of dainty supper and a pretty partner.

Here is a sketch of our program: Music, by the Eagle Point male quartet.

## CUT THUMB OFF WHILE CHOPPING WOOD

E. E. Simmons, who is employed at the Pierce mine situated on the Applecreek road about four miles from Jacksonville, met with a painful accident while chopping wood recently. Mr. Simmons was balancing a stick of wood on a log with one hand and wielding an axe with the other, when the butt of the axe handle striking the log deflected his aim, the axe blade descending on his left hand and completely severed his thumb. Mr. Simmons searched in the wood pile for his amputated member, and binding it on the wound, hurried to town for medical assistance. Dr. R. E. Golden dressed the injury and says that considering the shock and excitement of the moment, Mr. Simmons replaced the thumb in a fairly correct position.

### MARRIED.

Robert Selvertsen and Miss Lillian Hubert were married at the home of the bride's parents, 431 West Eleventh street, Saturday night, the Rev. A. A. Holmes officiating. The couple will make their home in this city, where the groom is employed by the Wells Fargo Express company.

A very pretty wedding was celebrated in the Roman Catholic church at Medford, Ore., on the morning of Nov. 8, the contracting parties being J. C. Duggan and Miss Ethel Mand Marsh, both of Sams Valley, where they are both well and favorably known. Mr. Duggan was born and raised in Sams Valley, and Miss Marsh came with her parents from Colorado about two years ago. The ceremony was solemnized by the Rev. Father O'Farrell.

The church was beautifully decorated with white chrysanthemums. The happy couple were attended by the groom's brother, D. P. Duggan, and his sister, Miss Mary Duggan.

The Rev. Father O'Farrell received Miss Marsh into the church on the eve of her nuptials, and administered the sacrament of baptism to her and blessed the marriage by celebrating a nuptial mass for the happy couple. Their many friends with them a long and prosperous journey on the matrimonial sea with many joys and troubles few.

### DIED.

John C. Gentry, at his home 220 Knight street, Sunday morning of tuberculosis, aged 46. He was a native of Tennessee. He leaves nine children. Funeral services Tuesday afternoon at 2 o'clock in the Baptist church, interment I. O. O. F. cemetery.

Funeral services over the remains of the late Mrs. A. K. Ware were held at the family residence at 4 p. m. Monday. The remains were shipped to Minnesota for interment, accompanied by Mr. Ware.

## STUDENTS WIN SUFFRAGE PRIZE

Miss Olga Anderson of the High School won the \$5 prize offered by the Medford Equal Suffrage Club for the best essay on suffrage, and Miss Loraine Cowgill won the same honor in the grammar school branch. The papers were numbered and the names withheld by Prof. U. S. Collins of the High School. The prizes were awarded Saturday morning. The judges were: Col. You Velle, George Putnam, Robert W. Ruhl, Father J. M. O'Farrell, and the superintendent, U. S. Collins.

The winning essay by Miss Anderson follows: "One of the saddest books I have ever read is 'The Man Without a Country.' When I was studying the constitution of the United States I often wondered why someone has not written 'The Woman Without a Country.'"

The fifteenth article of the constitution says: "The rights of citizens of the United States to vote shall not be denied or abridged by the United States or any state on account of race, color or previous condition of servitude." So, according to the constitution in states where women cannot vote they really have no country.

Men who are recognized as citizens of the United States by the constitution are allowed to vote whether or not they are intelligent or good. It doesn't seem fair to me that men should have the right to vote just because they are men, and women should be denied the right to vote just because they are women.

When the government of the United States was formed the men never thought of such a thing as women voting, and now some of them don't want to think about it. The fact that women do not vote is more a custom than anything else. They have followed the same example from the beginning, while men have been progressing. I think it is only fair that women should progress a little, too."

The following are the students who took part in the contest: Charles Prim, Arthur Alder, Lucille York, Olga Anderson, Carolyn Andrews, Eunice Davis, Viola Hogan, Myrl Davis, Georgia Brobeck, Myrtle Sheerin, J. C. Brandon, Jordan Bassett, Loraine Cowgill, Milton Lansing, Virginia, G. B. Browning, Purdin, Nellie Corum, Mildred Wiehs.

## CLASSIC STORY OF UNDINE AT STAR

Undine, the beautiful fairy tale of the German poet Goethe, is one of the latest classics to have its field enlarged by the moving picture men. It will be shown this evening and tomorrow at the Star theatre and is one of the photoplay events of the season. The picture is staged by the Thaumioner company who have made a particular reputation in depicting the spirit as well as mortal life. There is a wealth of incident to grip the attention of the beholder, and the pathetic story of the water nymph who leads for a time the life of a mortal is graphically told. To those who have read Undine the films will have an added interest; to those who have not they will tell an old story that is deserving of everyone's knowledge.

## HIGHEST PRICES FOR HOGS CONTINUE

PORTLAND, Nov. 11.—Receipts for the week have been: Cattle 576; calves 63; Hogs 3728; sheep 6724; horses and mules 112.

Cattle receipts have been of light volume this week, most of the stuff being received being cows and heifers, well finished and of good quality. Choice steers are in demand but prices about the same as a week ago. However prices will improve now since the heavy liquidation has discontinued. Heifers range from \$5.85 to \$6.90 and a few extra choice steers up to \$6.25, but this could not be obtained for any large bunch. There is a good demand for bulls and light veal calves.

The arrivals of hogs have not been as heavy as last week, consequently the price jumped up 10c since Monday's opening. Top hogs are selling at \$7.85 with the prospect of a steady market.

With an increase in the receipts of sheep and lambs over last week, top lambs are selling from \$5.75 to \$5.85. Best Wethers \$4.50 to \$4.85. Ewes \$3.00 to \$3.55.

The Pacific International Dairy Show association is fast completing its arrangements for the opening day, November 13th, and prospects are most encouraging for a big success. Entries from all breeds of dairy animals have been coming in by every mail and the catalog will be ready for the press this week, giving full list and classification. This will be the best show of the kind ever attempted this side of Chicago and besides the coast entries, several hundred head of animals entered at the Chicago show will be in attendance. Cheese will be exhibited from as far east as Wisconsin and New York, and butter, milk and cream will have their separate divisions. There are no admission fees and a big attendance is looked for.

## BIG MEETNG OF CLUB WEDNESDAY

To the public: A special meeting of the Commercial club will be held Wednesday evening, November 13th, at 8 o'clock p. m., City hall. The election is over, and we should all take hold and see if some forward movement cannot be started for the benefit of Medford and Rogue river valley. It has been a long time since we have had a general meeting of the club.

We want you to come. A progressive, live commercial club is the best asset a community can have. There are several things of importance that ought to be considered.

Are you hoisting for Medford? Please answer this question. What would Medford be if everybody was just like ME? The live members are expected to be there. The dead ones cannot come.

WM. M. COLVIG,  
President and Manager.

**A Mistake Some Farmers Make**  
If our farmers would make a combined effort to market nothing but strictly fresh, clean eggs, the price for these products would remain higher during the period of hot weather, but just as long as some persist in selling soiled and rotten eggs all of us will have to suffer for it by accepting less for our eggs.

## WILL RUSH WORK AT WALDO MINE

The Gunn interests of the Waldo Copper Mining company are now under option to Salem parties, and it is reported that 100 men will be put at work on the Wald and the Queen of Bronze within the next sixty days says the Courier.

This property, which is on Elder Peak, in the Illinois valley, is the best known copper proposition in that district. During the past season, when a big auto truck was employed and continuing now with all the teams that can be obtained on the job, the Waldo has been sending ore to Grants Pass for shipment to the Mammoth smelter at Kennett, California, and has been one of the best producers of southern Oregon. A fifty-ton smelter is on the property, and this will be employed later and the matte only hauled here for shipment, thus greatly reducing transportation expense.

Thirty men are at present employed, and the shipments from here have aggregated many car loads. At the smelter the ore from this property is considered the best that comes to it.

## JUDGE FOR YOURSELF

Which is Better—Try an Experiment or Profit by a Medford Citizen's Experience?

Something new is an experiment. Must be proved to be as represented.

The statement of a manufacturer is not convincing proof of merit. But the endorsement of friends is. Now supposing you had a bad back, a lame, weak, or aching one. Would an experiment on it? You will read of many so-called cures.

Endorsed by strangers from far-away places. It's different when the endorsement comes from home. Easy to prove local testimony.

Read this case: G. M. Jones, 1404 N. Central Ave., Medford, Oregon, says: "I found Doan's Kidney Pills especially adapted to my case. My back was very stiff and painful and I had other annoying symptoms of kidney trouble. Doan's Kidney Pills, procured at Haskins' drug store, brought me prompt relief and since taking them, my health has been much better. This excellent remedy has earned my endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## CALIFORNIA SHIPS ONLY EASTER BUEERRE

SACRAMENTO, Nov. 11.—The following gives number of cars of deciduous fruit shipped from all points in California for the week:

Pears: 10 cars. A few Easter Buerre will be shipped out during the coming week. Outside of this supplies are exhausted. It seems at this writing that there are not more than perhaps ten or fifteen carloads of pears left in the state.

Grapes: 265 cars. There were 354 cars out last week and it will be seen that since that time shipments have declined pretty nearly 100 cars. It is likely that the decline during the coming week will be even greater.

Weather during the past week in the northern part of the San Joaquin and Sacramento valley has been generally showery. No rain has fallen at Fresno or in Tulare county, and the picking of Emperors in these sections is going forward without interruption.

## YOU CAN CURE AN OLD SORE BUT NOT WITH SALVES

Every old sore can be cured unless it be of a malignant cancerous nature. But no chronic ulcer can be cured by the application of salves or other external treatment. You must get down to the origin and cause before you can produce curative effects. Bad blood is responsible for old sores and the one certain cure therefore is a thorough purification and upbuilding of the circulation. As long as impurities are left in the blood they will be deposited into the ulcer to keep up the inflammation and irritation and nature can make no progress toward healing the place. Nothing is so sure to produce a cure of old sores as S. S. S. This is nature's perfect blood remedy, composed of the most healing and at the same time the most penetrating and blood-purifying properties. It removes every particle of morbid matter from the circulation and assists nature to increase the healthful, nutritious corpuscles of the blood. S. S. S. makes pure blood and pure blood is nature's unfailing cure for old sores. Book on Sores and Ulcers and any medical advice free. THE SWIFT SPECIFIC CO., ATLANTA, GA.
