A QUESTION OF ETHICS.

That excellent weekly, the Portland Spectator says: Probably it will interest the readers of The Spectator to know that it not accept pay for any advertising endorsing measures that should

did not accept pay for any advertising endorsing measures that should have been depended. Nor did it publish any advertising endorsing bad bills or opposing good ones. The Spectator does not believe that a newspaper should take pay for assisting in passing victous legislation. This is a matter of ethics, however; and maybe should not be dragged into any discussion of journalism or nellities.

Cution and issuance of the negotiate coupon bonds of the city of Medford. Oregon, to the amount of \$20,000 for the purpose of providing the necessary approaches and state of New York; or in the discontinuance of such discontinuance of such discontinuance of the manner aforesaid. After their execution said bonds sary funds for the construction of a bridge and the necessary approaches and appurtenances thereto across the smould not be dragged into any discussion of journalism and appurtenances thereto across the said city at the line of New York; or in the discontinuance of such discontinuance of the megotiate of the negotiate of the negotiate of the discontinuance of the discontinuance of such discontinuance of the di
