### Start of the International Balloon Race at Stuttgart

The photographs herewith were taken at the start of the international balloon race for the Gordon Bennett Cup at Statigart, Germany. Twenty balloons competed. The race was won by Maurice Blemine, who piloted a French balloon. Just before the start of the race the Kansas Cit. II, met with an accident. When the filling of the balloon was nearly completed it was discovered that there were reals in the envelope which rendered ascent impossible. The Germans, in a sportsmanlike spirit, placed the Inseedorf II at the disposal of Mr. Watts, the American pilot, who
