

ANDERSON TO MEET CORBETT IN BOUT TONIGHT

Tonight when Bud Anderson and Freddie Corbett hook up for their ten round boxing contest local followers of that sport will undoubtedly witness one of the best and most evenly matched bouts ever seen here, or any where else.

There has been more talk on tonight's contest than on any other such occasion, due no doubt to the fact that Anderson's opponent Corbett, is about the likeliest looking customer that Anderson has as yet had to deal with, he is built on the same lines as Bud, in his sparring at the gym although he appears to be quite a bit slower than the Vancouver lad, he seems to be more on the plodding style of a boxer, of being able to go a long route.

If Corbett stays with the pace which Anderson is sure to cut out for him then Mr. Corbett will know that he is going at some speed for he may have to crowd 25 rounds of milling into that ten rounds tonight. The "Vancouver whirlwind" who was presented with the latter non-de-plume by Frankie Edwards, is rightly named as when in action with full sail set, he has Barney O'field looking like a Dago fish cart tooting his horn up a side street.

Anderson is not wanting for lack of support for he has plenty of admirers who are firm in their belief that Buddy can take into tow far better boys than he has already defeated.

Corbett has more followers who think well of his chances than any of Anderson's other combatants and they figure Corbett has a grand chance tonight to turn the tables on the victor of 21 straight fight encounters.

A six round special event preliminary will start the ball rolling, Freddie Anderson a promising younger brother of Bud's will meet "Young Terry McGovern" who is said to be a good boy.

The first bout will start promptly at 8:30 p. m. the main event immediately following and the show is sure to be all over before 10 p. m.

JERRY NUNAN WAS BIG AID TO LANE

PORTLAND, Nov. 12.—No man ever was elected to the United States senate as cheaply as Dr. Harry Lane.

Aside from his traveling expenses, for which he does not have to account under the law, it cost him exactly \$35. The traveling expenses covered 90 days, at a little less than \$5 a day, or \$425. The total cost of electing Harry Lane to the senate does not amount to \$500. In the old days a single member of the legislature would score less than \$500 for his vote in a senatorial contest.

"I got the senatorship at a bargain," grinned Dr. Lane, looking like a cat that has just swallowed a canary. "But I haven't made any profit on it."

"Well," was suggested, "the salary of senator for six years is \$45,000, which is pretty good return for \$35 in cash and the pleasure of taking a vacation throughout the state at a cost of \$425."

Dr. Lane smiled some more. "There is only \$75 that I have to make an accounting of," continued the doctor. "Of this, \$40 was contributed. An old Irishman, Jerry Nunan, of Jacksonville, sent me \$20, and I wouldn't have accepted it but for the kind letter that accompanied it. Jerry is an old patient of mine, and I saved his life once when he was dangerously ill. Then John Van Zante came in one day and handed me a twenty. I didn't want to take it, but John insisted, and I couldn't refuse such a nice fellow as John Van Zante, so I handed the money over to Judge Seneca Smith to be used, but just then in came a bill for \$75 for printing my cards, and as I didn't have much change, I took back the Van Zante money from Smith, dug up the \$20 from Jerry Nunan and contributed \$35 from my own pocket and paid the bill. And that is every cent that the law says I must account for."

management is due the success of her present world tour which has already covered three years of continual traveling, the first part being devoted to the United States and Canada. She has now appeared professionally in every province of Canada and every state in the union except New Mexico and Arizona which will be included this season.

Her original intention to go abroad this season was necessarily postponed in order that she might again visit the west to fill several return engagements in the coast cities and at the same time overlook her ranch in the Hood River district, Oregon. Her present plan is to make a hurried trip returning early to fill her eastern engagements and later to go abroad.

Her foreign tour will include England, Scotland, Ireland and continental Europe, South Africa, India, Australia, New Zealand, China, Japan, Philippines and Hawaiian Islands and South America.

The summer of 1910 she spent in Alaska, going as far north as Nome. To reach there she traveled over 2000 miles down the Yukon river, from White Horse to St. Michael's and then across the Behring Sea in an American revenue cutter. In all she appeared in seven towns. In Dawson the first night she gave "The Servant in the House," the next, Ibsen's "A Doll's House." These two plays she presented all through Alaska, where her appearances were made under the auspices of a far-reaching social organization called the Arctic Brotherhood. Her appearance in Nome on August 3rd, 1911, a year and a day later, she was appearing in St. John, New Brunswick, and spent the rest of the month in Prince Edward Island and Nova Scotia where she paid a visit to the historic Evangeline country.

ROSEBURG PLANT SOLD REAL BEER

ROSEBURG, Or., Nov. 12.—The Roseburg Brewery & Ice company today entered a plea of guilty in the circuit court to a charge of selling real beer in violation of the prohibition law. The directors were fined \$250 each. The brewery was fined \$500. This case was tried in September but the jury was unable to agree.

LAND GRANT CASE CLOSED IN OREGON

PORTLAND, Ore., Nov. 12.—With the court already in possession of testimony and testimony consuming over a ton of paper, local testimony in the Oregon-California railroad land grant case closed before Judge Wolverton today. The case is now transferred to San Francisco, where the California end will be concluded.

MME. LABADIE HERE NOVEMBER 8

Mme. Labadie who will appear here Nov. 28, under auspices of the Greater Medford club, is American born and a member of the Daughters of the Revolution. Her husband, Francis Labadie, whom she married early in her career, is of French parentage, and with the artistic temperament and intuition of his race, he was quick to recognize her great gifts and encouraged the development of her dramatic ability. COMMERCIAL CLUB TO MEET TOMORROW NIGHT

To the public: A special meeting of the Commercial club will be held Wednesday evening, November 13th, at 8 o'clock p. m. City hall. The election is over, and we should all take hold and see if some forward movement cannot be started for the benefit of Medford and Rogue river valley. It has been a long time since we have had a general meeting of the club.

We want you to come. A progressive, live commercial club is the best asset a community can have. There are several things of importance that ought to be considered.

Are you boosting for Medford? Please answer this question. What would Medford be if everybody was just like ME? The live members are expected to be there. The dead ones cannot come.

WM. M. COLVIG, President and Manager.

WESTERN UNION PENSIONS WORKERS

Recently the Western Union Telegraph company announced to its employees a provisional pension plan guaranteeing a certain income to faithful employees having a certain term of service. President Vail has just issued an additional announcement to the effect that commencing January 1, 1913, a permanent plan will be inaugurated providing not only for pensions, but also extending to all employees benefits covering sickness and disability from accident, and in addition thereto, a life insurance for all employees having relatives dependent upon them. In case of death by accident occurring in the performance of work for the company, employees having dependent relatives will receive an insurance in the sum of three years wages, not in excess of a total amount of \$5,000 dollars and payable to dependent relatives.

Employees who have been five years in the company's service will be entitled to insurance against death in varying sums not exceeding \$2,000 dollars, such insurance to be paid to dependent relatives. The disability insurance covers accidental injury in the performance of work for the company, or disability due to sickness or injury during employment and while not in the performance of work for the company and the amounts to be paid in case of accident or sickness may be received by employees who have been in the service from two years upward, varying between full pay for four weeks and half pay for nine weeks, which applies to the employees who have been in the service two and five years, up to full pay for thirteen weeks and half pay until able to earn a livelihood, not exceeding, in the case of accident, six years in all.

The pension benefits apply to male employees sixty years of age and female employees fifty-five years of age who have been twenty or more years in the service, but for those employees who have been twenty five years or more in the company's employ, the pension is made applicable to male employees of fifty-five years or female employees fifty years of age. Any employee who has been in the company's service thirty or more years may receive the pension benefits.

ROSEBURG FIRE LOSS IS \$19,900

ROSEBURG, Or., Nov. 12.—The loss sustained in Saturday night's fire, which burned Banks & Walker's livery stable and several adjoining buildings, was \$19,900, with a total of \$6,350 insurance. Ten horses were burned. The stable was a large wooden building and contained more than \$3000 worth of hay. The fire occurred while a 20-mile gale was blowing, and only the hardest kind of work by the firemen saved an adjoining three story wooden hotel, and had it not been for the rain, which had thoroughly soaked everything shortly before, it is certain that almost the entire north part of Roseburg would have been burned, as a shower of live coals was blown over that vicinity.

Clean pots and pans with GOLD DUST

Germs of decay accumulate on oft-used pots and pans, and ordinary soap and water only cleans off the surface. Gold Dust does the work—and does it right. It digs deep after germs, cleans like a flash and leaves your pots and pans as bright as the day they were new—and sanitariously safe.

Gold Dust does this work in just half the time required by soap or any other cleanser. Does it better, too. Gold Dust cleans everything like magic.

Do not use Soap, Borax, Soda, Ammonia or Kerosene with Gold Dust. Gold Dust has all desirable cleaning qualities in a perfectly harmless and lasting form.
