BRIDE-TO-BE SHOOTS MOTHER ON TRAIN
TRENTON, N. J., Nov. 12.—As the result of a shooting fray aboard a Pennsylvania railroad train near here this morning, Mrs. Elizabeth Myers is dead and the police are holding her daughter Gladys 18 years old, pending an investigation. Gladys and her brother, Rappe Myers, planned a double wedding, and another and daughter were en route to New York to purchase the girl's trousseau. According to Miss Myers' story, her mother awakened her suddenly and the girl, mistaking the woman for a burglar, fired a bullet into Mrs. Myers' right lung. The mother was rushed to a hospital here, but died shortly after her arrival.

Basket Ball Begins
From present indications basket ball fans are going to see some fast games this season. The high school boys elected their manager Friday and basket ball is now well under way. They have already received several challenges, but are not going into the fray until sure of victory. The boys are fortunate in having one of the best amateur coaches in the west. Coach Jewell is an old hand in the game, and was coach of the Spokane northwest winner for two years. He is enthusiastic over the local situation, and promises some surprises for rival teams.

"Pa" Corbin, the old Yale star, is at New Haven helping the Ellis through their paces.

GOD'S CARTOON OF THE NATIONS

"God's Cartoon of the Nations, A Prophetic Picture," was the subject of the sermon at the evangelistic meeting last night. The speaker first showed the fearful responsibility placed upon the gospel ministry. The minister is compared to a watchman stationed upon the wall of a city. Should an enemy approach and the watchman sound an alarm by blowing the trumpet, any soul that refused to heed the warning was himself responsible if overtaken by the sword. If, however, the watchman saw the danger but refused to sound the alarm, the blood of the people would be required at his hand. So the minister that fails to warn his flock of God's impending judgments will be held responsible for the blood of souls. Eze. 33:1-9. For God will bring no calamity upon the world but he will first reveal his secret to his servants, the prophets. Amos 3:7. And those things are revealed to us that we may be obedient to his law. Dent. 29:29. After showing that the unveiling of future events through the prophets is a revelation of God's character of infinite love the speaker proceeded to explain the symbols of the seventh chapter of Daniel. The most solemn scene in the prophecy was the judgment the result

Write Ideas for Moving Picture Plays!
You Can Write Photo Plays and Earn \$25 or More Weekly
WE WILL SHOW YOU HOW
If you have ideas—if you can THINK—we will show you the secrets of this fascinating new profession. Positively no experience or literary excellence necessary. No "flowery language" is wanted.
The demand for photoplays is practically unlimited. The big film manufacturers are "moving heaven and earth" in their attempts to get enough good plots to supply the ever increasing demand. They are offering \$100 and more, for single scenarios, or written ideas.
Nearly all the big film companies, the buyers of photoplays, are located in or near NEW YORK CITY. Being right on the spot, and knowing at all times just what sort of plots are wanted by the producers, our SALES DEPARTMENT has a tremendous advantage over agencies situated in distant cities.
We have received many letters from the big film manufacturers, such as VITAGRAPH, EDISON, ESSANAY, LUBIN, SOLAX, IMP, REX, RELIANCE, CHAMPION, COMET, MELIES, ETC., urging us to send photoplays to them. We want more writers and we'll gladly teach you the secrets of success.
We are selling photoplays written by people who "never before wrote a line for publication."
Perhaps we can do the same for you. If you can think of only one good idea every week, and will write it out as directed by us, and it sells for only \$25., a low figure,
YOU WILL EARN \$100 MONTHLY FOR SPARE TIME WORK!
FREE—Send your name and address at once for free copy of our illustrated book, "MOVING PICTURE PLAYWRITING."
Don't hesitate. Don't argue. Write NOW and learn just what this new profession may mean for you and your future.
