

UNION LEADERS ATTACK I. W. W.

ROCHESTER, N. Y., Nov. 13.—The executive committee of the American Federation of Labor in its report attacked the "policy and misrepresentation of the Industrial Workers of the World" in their public attitude toward the federation. The report denies charges made by the I. W. W. leaders that the federation is "unyielding and autocratic, and did not keep pace with the development of labor." The committee also denied that the federation is opposed to unionism as advocated by the I. W. W. The report adds:

"There must be, however, some degree of discipline for the progressive and orderly conduct of unions. We must declare unmistakably that it is the moral duty of our organization to live up to agreements and respect the decrees of the federation as a whole and of its affiliated organizations."

The report reviewed trade conditions and recited the accomplishments of labor during the year. It urged the establishment by the government of adoption and the passage by the senate of the Clayton anti-injunction bill which has already passed the house, and a jury trial for contempt proceedings resulting from labor disputes.

HIGH SCHOOL WINS STATE PRIZE

It is doubtful if the citizens of Medford are aware of the class of work that is being done in the Medford high school along the lines of sewing, cooking, manual labor, physical culture, drawing and music. The board of education believes that there is more than one side of human nature that should be developed, and intend that the graduates should know something more than to write a sentence correctly or multiply and divide. Recently that domestic art department sent some of their sewing to the state fair at Salem and came home with the blue ribbon and a sewing machine as first prize, and in addition took two second prizes and one third prize.

This department is now making the costumes for the high school production of "Pinafore" which will be given at the Natatorium Monday and Tuesday nights, November 19 and 20. The public will not only hear their music but see their handiwork.

section 24, twp. 36 S., range 4 W.; \$1251.90.

E. E. Miner et ux to Albert Lawrents, land in twp. 37 S., range 2 W.; \$1500.

IOWA SOCIETY IS ORGANIZED

Nearly 100 former residents of the state of Iowa who now make their homes in the city and valley met Tuesday evening and organized a local Iowa association. The society will meet at intervals to talk of their former home.

C. H. Ausiker was elected president, Mrs. F. W. Mears vice-president, Helen N. Yockey, secretary and Dr. R. W. Stearns, treasurer.

NO SOFT DRINKS IN GRANTS PASS SALOONS

GRANTS PASS, Ore., Nov. 13.—A new city ordinance regulating the sale of intoxicating liquors has been passed by the council under the emergency clause for the purpose of regulating liquor traffic as directed by the recent election in which the town went wet by a majority of 87. The new regulation is different from the general rule of ordinance usually enacted to control the sale of liquors.

The applicant must be a white male citizen of the United States and the place of business must front on a public street with a frontage of not less than 20 feet and not more than 50 feet deep, and with only one entrance or exit and that from the front. Tables, chairs, pictures and printings and dice boxes must be eliminated. The room must be open, with a clear view from the streets at all times; singing, music and the like come under the ban of the law as well as the proprietor treating, or his employees.

Soft drinks, and imitations are not permitted to be sold, and all intoxicating liquors must be four years of age before being allowed to be

Healthy Women Scarce Is The Verdict of Scientific Investigation

How many women do you know who are perfectly well, strong and healthy as a woman should be? They may not be sick enough to lie in bed—but they are run-down, thin, nervous, tired and demoralized.

Women are so active nowadays, and so much is expected of them, that they constantly overdo and suffer from headache, backache, nervousness and kindred ills.

Such women need Vinol, our delicious cod liver and iron tonic without oil which will create an appetite, tone up the digestive organs, make pure blood and create strength.

Mrs. W. G. Ritchie, Patchogue, N. Y., says: "Vinol is certainly the best tonic I have ever taken. I was run down and tired all the time, but, thanks to Vinol, I am feeling all right again."

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you. Medford Pharmacy.

A Wonderful Tonic That Aids Digestion

Thousands are unable to digest certain kinds of food. In most cases it is not the fault of the food, nor the stomach. It is probable that the stomach has been abused. Many resort to pre-digested foods and various kinds of medicines to get relief from dyspepsia, indigestion and heartburn, but without permanent benefit.

If your stomach was in perfect condition you would not need medicine to digest the foods you eat. Jayne's Tonic Vermifuge is a stomach regulator. It gets the stomach in such a condition that it will digest food without other assistance. It overcomes the acidity and stimulates the coating of the stomach and intestines so that they will properly absorb and assimilate the nutriment from the food eaten. Sufferers from dyspepsia and indigestion will find permanent relief in a short time after beginning the use of the tonic. For children, the addition of a little sugar will make it most palatable.

Many forms of supposed indigestion are the result of intestinal parasites, for which Jayne's Tonic Vermifuge is unsurpassed. Insist upon Jayne's; accept no other. Millions have praised it for more than eighty years. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.
