GOOD GOODS

## Great Thanksgiving and Holiday Removal Sale

We have leased the entire building just east of our present location---the same is under repair now, new front, everything modern and up-to-date---giving us one of the best equipped stores in Southern Oregon. Between now and the date of moving we intend to clear our shelves of every article possible, as we are going to open in the new building with nothing but clean, new goods, direct from the manufacturers.

**SACRIFICE PRICES IN NEARLY EVERY DEPARTMENT**
