

Mr. Bosh: Oh, He's a Busy Guy

By Winsor McCay

CENTRAL POINT ITEMS.

Dr. Pollnitz of Medford made a business trip here Friday afternoon. Herman Simpkins is here from Chico, California, to spend the winter with relatives.

Mrs. A. W. Moon, Mrs. Moon, Sr., Miss Sarah Bebb, Miss Mary Bebb, Miss Georgia Cline, Miss T. Neale, Miss Stewart, Florence Noble, Maud Lee, George Pankey were passengers on 13 from here to Medford Friday afternoon.

The cantata, "The Seasons," given in the Central hall Thursday evening was the greatest musical entertainment ever held in Central Point. The hall was beautifully decorated and the scenery and costumes changed for each season. Spring was the first season. The costumes of the ladies taking part were green and the beautiful flowers which the stage was decorated in made one believe spring was here.

Regarding the liquor question. Personally I do not drink, never have, but as long as the government, state and city license saloons, and under strict regulation they obey the law, they are entitled to protection. Should they persist in disobeying the law, their license should be revoked.

A careful accounting of all finances. All disbursements subject to public inspection and open for publication by the city press.

Due consideration of all petitions for and against public improvements. A rigid practice of economy, except when such economy has a tendency to retard progress.

I will further all progressive matters of general improvement for the city, but such must come within the scope of good business.

I shall endeavor to use my best efforts for the keeping of the city in a sanitary condition at all times.

Whereas, after years of struggle, the women have been given the privilege of exercising their rights of citizenship, due consideration will be given them on all matters of public importance. Should I be elected, I assure the people that I will be mayor in fact as well as name.

I will not be the tool of any clique, and will be influenced only by what I believe to be right and equitable. If the above platform meets with your approval and you believe I am capable of filling the office, I will appreciate your support.

C. E. Gates

During the last ten days a number of citizens have called upon me, requesting me to become a candidate for mayor of the city of Medford. After due consideration and consultation with citizens in all lines of business, I have decided to announce myself as a candidate for said office.

I therefore present to the voters of Medford, for their consideration, my platform, which is as follows:

An honest, open and above-board, clean cut business administration.

A fair and square deal at all times. Equal rights to all. Special privileges to none.

A genuine people's public market.

Regarding the liquor question. Personally I do not drink, never have, but as long as the government, state and city license saloons, and under strict regulation they obey the law, they are entitled to protection.

Should they persist in disobeying the law, their license should be revoked.

A careful accounting of all finances.

All disbursements subject to public inspection and open for publication by the city press.

Due consideration of all petitions for and against public improvements.

A rigid practice of economy, except when such economy has a tendency to retard progress.
