FOR MAYOR.

J. W. Mitchell

Independent candidate for office of mayor of city of Medford.

(Paid Advt.)

W. W. Elfert

In announcing my candidacy for the office of mayor, I desire to state to the voters of Medford that if elected I shall earnestly endeavor to utilize my experience as former chairman of the water committee and as a councilman for over four years, to place and keep Medford on a sound, conservative financial basis, and to conduct an economical, business-like administration. (Paid Ad.)

J. E. Watt

"At the solicitation of many citizens I have decided to become a candidate for the office of mayor at the coming election in January. In this connection I wish to state that if elected, I will use my best efforts to give the city a clean business administration. (Paid Advt.)

C. E. Gates

During the last ten days a number of citizens have called upon me, requesting me to become a candidate for mayor of the city of Medford. After due consideration and consultation with citizens in all lines of business, I have decided to announce myself as a candidate for said office. I therefore present to the voters of Medford, for their consideration, my platform, which is as follows:

An honest, open and above-board, clean cut business administration.

A fair and square deal at all times.

Equal rights to all. Special privileges to none.

A genuine peoples public market.

Regarding the liquor question. Personally I do not drink, never have, but as long as the government, state and city license saloons, and under strict regulation they obey the law, they are entitled to protection. Should they persist in disobeying the law, their license should be revoked.

A careful accounting of all finances.

All disbursements subject to public inspection and open for pupblication by the city press.

NEW TODAY

160 acres, twenty miles east of Ashland, on the Dead Indiana road, small house and barn, and a little hay ground. Over three million feet of saw timber. Will trade for a $2000.00 house in Medford.

A warehouse site proposition close in on S. P. track. Land 75x80 feet, and a five room house on it. Only $1250.00.

C. D. HOON

Room 12, Jackson County Bank Bldg.

Due consideration of all petitions for and against public improvements.

A rigid practice of economy, except when such economy has a tendency to retard progress.

I will further all progressive matters of general improvement for the city, but such must come within the scope of good business.

I shall endeavor to use my best efforts for the keeping of the city in a sanitary condition at all times.

Whereas, after years of struggle, the women have been given the privilege of exercising their rights of citizenship, due consideration will be given them on all matters of public importance. Should I be elected, I assure the people that I will be mayor in fact as well as name. I will not be the tool of any clique, and will be influenced only by what I believe to be right and equitable. If the above platform meets with your approval and you believe I am capable of filling the office, I will appreciate your support.

C. E. GATES.
