FOR MAYOR.

J. W. Mitchell

In announcing my candidacy for the mayoralty, I wish to say that, as we have every assurance of a most prosperous year, let us guard against errors in public affairs.

Now, as to the public market, I want to say that I am, and always have been, a strong advocate of the public market. I was among the first of the council to favor and promote it. I feel that the success of our market is due as much to my efforts as any other member of the

council. I shall, if elected, use every honorable effort to make it a continued success, as I realize the great benefit it is to both producer and consumer.

Now, as to the saloons. So long as the state and the city license them to do business, they are entitled to do so; but I am a strong advocate of law enforcement, as the laws exist, and when the laws are wrong, we have a remedy, it's up to the public.

I firmly believe in development and progress, but not to the extent of reckless extravagance. We must guard against this recklessness, but not to the extent of retraction. I am strictly opposed to any special privileges as to locations, persons or corporations, but adhere rigidly to the best interests of the public.

I believe that the same consideration is due to the ladies as to the men, in all our public affairs.
(Paid Advt.)

W. W. Kifer

In announcing my candidacy for the office of mayor, I desire to state to the voters of Medford that if elected I shall earnestly endeavor to utilize my experience as former chairman of the water committee and as a councilman for over four years, to place and keep Medford on a sound, conservative financial basis, and to conduct an economical, business-like administration. (Paid Ad.)

J. E. Watt

"At the solicitation of many citizens I have decided to become a candidate for the office of mayor at the coming election in January. In this connection I wish to state that if elected, I will use my best efforts to give the city a clean business administration. (Paid Advt.)

C. E. Gates

During the last ten days a number of citizens have called upon me, requesting me to become a candidate for mayor of the city of Medford. After due consideration and consultation with citizens in all lines of business, I have decided to announce myself as a candidate for said office. I therefore present to the voters of Medford, for their consideration, my platform, which is as follows:
An honest, open and above-board, clean cut business administration.
A fair and square deal at all times.
Equal rights to all. Special privileges to none.
A genuine peoples public market.
Regarding the liquor question. Personally I do not drink, never have, but as long as the government, state and city license saloons, and under strict regulation they obey the law, they are entitled to protection. Should they persist in disobeying the law, their license should be revoked.
A careful accounting of all finances.
All disbursements subject to public inspection and open for publication by the city press.
Due consideration of all petitions for and against public improvements.
A rigid practice of economy, except when such economy has a tendency to retard progress.
I will further all progressive matters of general improvement for the city, but such must come within the scope of good business.
I shall endeavor to use my best

efforts for the keeping of the city in a sanitary condition at all times.

Whereas, after years of struggle, the women have been given the privilege of exercising their rights of citizenship, due consideration will be given them on all matters of public importance. Should I be elected, I assure the people that I will be mayor in fact as well as name. I will not be the tool of any clique, and will be influenced only by what I believe to be right and equitable. If the above platform meets with your approval and you believe I am capable of filling the office, I will appreciate your support.
