MEDFORD WINS A HARD-FOUGHT GAME

Medford high school closed the football season with a well earned victory at Grants Pass New Years day. The score was 8 to 2. Medford held the Grants Pass team for downs at times when it was important to hold and by executing the forward pass in smooth style was able to score the only touchdown.

Three forward passes executed by left end Aider were responsible for the score. Captain Beveridge was also highly praised by the Grants Pass spectators.

Both lines held well and much punting was forced upon Medford. The touchdown came toward the opening of the game and as soon as Grants Pass learned how to break up the forward pass there was nothing more doing. Grants Pass scored two on a safety. Early in the season Grants Pass defeated Medford 9 to 0, and the northerners say Medford has shown wonderful improvement.

LOCAL JAPANESE RESENT CHARGE

The local Japanese colony are up in arms over the publication of a report that two Japanese boys held up and robbed George Ruess' Thursday night. They declare that every Japanese boy in the community has accounted for his whereabouts, there not being many in the city.

"The story as far as it reflects upon Japanese boys is false," declares M. Maruyama, head of the local colony. "All of the boys have accounted for their whereabouts and as we are careful at all times to be industrious and to observe all of the laws, we resent the statement. I am certain none of the local Japanese boys were involved."

The police today stated that they believed Russell's account of a hold-up on a hoax. He claimed that he was held up and robbed at Tenth and Laurel Thursday night by two men whom he declares were Japanese.
