CRACK RACERS TRAIN HERE FOR COMING SEASON

G. L. Swisher of Canby, Oregon, is in Medford with a promising string of five young racing horses, which he will train here until the season opens on the circuit. In the string are some that have made their mark on the track but it is in the future possibilities of the animals that Mr. Swisher is interested. He has been a lifelong horseman and for some time trained horses at Portland and at Canby. Because the elevation at Medford is ideal for developing the lung strength in the racers Mr. Swisher decided to move here. At present he is keeping the string at Dr. Helms' stables and as soon as the track is in shape he will have them out for speed work.

In the string is a four-year-old pacer Halmont, of Hal B., with a mark of 2.13, and Nancy Lovelace, sired by the famous Lovelace, a beautiful mare which won money in the Oregon Futurity. She is 2 years old. Reuben Lovelace, a 3 year old sorrel, is perhaps the most beautiful horse seen here in some time and shows promise. Grace N., sired by Hal B., a black mare of exceptional beauty, is here under the charge of Mr. Swisher and is the only one of the string that doesn't belong to him. She is a 5 year old and is the property of Al Holden of Portland.

Mr. Swisher is enthusiastic over Medford as a training place for race horses and will probably be the means of inducing more horse owners to train their steeds here.

BOB FORD'S WIDOW TO WED KANSAS CITY DOCTOR

LOS ANGELES, Jan. 18.—Mrs. Albert P. Ford, who ended an unhappy marriage by shooting and killing her husband who she declared was the notorious "Bob" Ford of the Jesse James gang, admitted today that she will become the bride of Dr. W. S. Tinsley, of Kansas City.

Mrs. Ford killed her husband April 11 1911. Her trial, which created much interest in California, resulted in acquittal. She refused to tell the probable date of her marriage to Dr. Tinsley.

HERB WHITE DEFEATS RED WATSON IN BOUT

SAN FRANCISCO, Jan. 18.—Despite the fact that he sent a couple of stinging lefts to the jaw, staggering his man, in the second round, and seemed to be giving as good as he got throughout the bout, Red Watson is today beaten by Herb White of Stockton as the result of their four round bout here. The decision of Referee Milton Hayes was far from popular. The bout was a slow one throughout, Watson doing most of the leading.

SPRING IS COMING ED ROOT SAYS SO!

Spring is coming! Don't believe any of the old signs that say the winter will last into the future weeks, pay no attention to the weather experts who may tell you spring is far in the distance, but accept the now established fact that spring is at hand. The absolute proof of the close proximity of spring has been been furnished Medford citizens by Ed Root who says that when Snyder starts to shed her hair warm weather always follows. You may think spring isn't almost here but Ed and Snyder know better.

THIEF ADMITS HE STOLE FRIEND'S WIFE TO ESCAPE

PORTLAND, Jan. 18.—John St. Clair, alias John Torgerson, arrested recently for the alleged robbery of a number of post-offices in southern Oregon, made a formal confession today in the presence of United States District Attorney John McCourt and Postoffice Inspector Morris to fifteen robberies in Oregon, three in California, and to having killed John Miller, a ranch hand, at Vina, Cal., December 4.

St. Clair, the authorities stated, showed no remorse at the killing of Miller, and he related details of the shooting and how he escaped, leaving his partner, A. E. Dietz, to bear the blame. He told of inducing Dietz's wife to come with him with her two children, believing he would escape suspicion because of his apparently having a family.

Mrs. Dietz told the authorities how St. Clair sat calmly smoking in the Southern Pacific train while federal officers searched the train for the robber, watching the proceedings with apparent interest. The district attorney stated the prisoner would be turned over to California authorities and be prosecuted under a murder charge.

POLICE WAGE WAR ON ALL CROOKS

CHICAGO, Jan. 18.—Officials at detective headquarters are preparing for a crusade against "crooks" with a known police record which is expected to result in 10,000 arrests on vagrancy warrants.

Detectives were ordered to prepare today lists of all thieves known to them from the "high class" bank sneak to the ordinary door mat thief.

Not only the names, but the general habits and "hangouts" of the thieves are to be included in the list.

An idea of how many names may be handed in may be gained from the fact that one pair of detectives last night prepared a list of 680 thieves known to them. Allowing for duplications, it is expected that the 100 detectives at the bureau will furnish at least 100 names each.

Warrants will be placed in the hands of the detectives with instructions to have the crooks locked up within forty-eight hours if possible.

The move was decided on because of the crime wave which has swept over the city during the last few weeks.
