The Schubert Lady Quartette has a range of voices of considerably over three octaves, the contralto having as phenomenal a low voice as the soprano has a high one. ## ATTORNEYS PLEAD FAITH'S DISCHARGE

BELLINGHAM, Wash., Feb. 4.—After four hours argument Attorney Hardid Preston of Seattle petitioned Superior Judge Hardin for a dismissal of the case against the Seattle bankers charged with aiding and abetting in the reception of deposits by the defunct Laconner bank, knowing it to be insolvent. From 10:15 a. m. until the noon recess and from 1:30 in the afternoon until 4:15 the Seattle attorney had the floor. That the prosecution was not being conducted within the letter of the law; that the state has no jurisdiction over a national banking institution or the officers thereof, when that institution and those officers are complying with the national banking laws, and that an insufficiency of evidence to hold the defendants had been submitted were the gist of the Seattle attorney's argument.

How to Have the Best Cough Syrup and Save \$2, by Making it at Home.

Cough medicines, as a rule, contain a large quantity of plain syrup. If you take one pint of granulated sugar, add to pint of warm water and stir about 2 minutes, you have as good syrup as money could buy.

If you will then put 2½ ounces of Pinex (30 cents' worth) in a pint bottle, and fill it up with the Sugar Syrup, you will have as much cough syrup as you could buy ready made for \$2.00. It keeps perfectly.

And you will find it the best cough syrup you ever used—even in whooping cough. You can feel it take hold—usually stops the most severe cough in 24 hours. It is just laxative enough, has a good tonic effect, and taste is pleasant. Take a teaspoonful every one, two or three hours.

It is a splendid remedy, too, for whooping cough, croup, hoarseness, asthma, chest pain, etc.

Pinex is the most valuable concentrated compound of Norway white pine extract, rich in guaiacol and all the healing pine elements. No other preparation will work in this formula.

This recipe for making cough remedy with Pinex and Sugar Syrup is now used and prized in thousands of homes in the United States and Canada. The plan has often been imitated but never successfully.

A guarantee of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Finex Co., Ft. Wayne, Ind.

## Healthy Mothers

Women who bear children and remain healthy are those who prepare their systems in advance of baby's coming. Unless the mother aids nature in its pre-natal work the crisis finds her system unequal to the demands made upon it, and she is often left with weakened health or chronic ailments. No remedy is so truly a help to nature as Mother's Friend. It relieves the pain and discomfort caused by the strain on the ligaments, makes pliant those fibres and muscles which nature is expanding, and soothes the inflammation of breast glands. Mother's Friend assures a speedy and complete recovery for the mother, and she is left a healthy woman to enjoy the rearing of her child.

Mother's Friend is sold at drug stores. Write for our free book for expectant mothers.

## Do Your Bargain Hunting with Care

"At a great bargain," warns an old saying, "make pause." You had better not buy at all if you are not certain beyond doubt of the quality of the goods, or unless you are shopping in a store of unquestionable fair dealing.

It is to the credit of The Mail Tribune's advertisers that they do not announce impossible bargains in screaming type, nor make promises of quality, which they are not prepared to back up.

You can rely on the statements made by The Mail Tribune's advertisers. They are bent upon securing your trade, and mean to keep it, once secured, by giving you the best values possible for your money. They know that it may be possible to sell you shoddy once, but not twice, and they want you to be satisfied.

You can secure buying opportunities from the merchants who advertise in The Mail Tribune, which are real, worth while, and important. Each one of these advertisements is backed up by a splendid reputation. Do your bargain hunting with care or rather throw care to the winds and shop with the Mail Tribune advertisers.
