ST. LOUIS WOMAN WITH PERFECT FOOT ONLY WEARS A NO. 2 1/2 SHOE

FEET OF MISS ESTELLE CARNAHAN

Miss Charlotte Lewis and Miss Lucy Carnahan are credited with having the most nearly perfect feet in St. Louis, and if a single choice were demanded the palm would go to Miss Lewis. Her feet are a wee bit tinier than those of Miss Carnahan. In conformation, lines, coloring, perfection of nails and arches Miss Lewis' feet closely approximate the standards accepted as perfect.

Miss Lewis wears a No. 2 1/2 shoe on an AA last, the narrowest made. Miss Carnahan is fitted for threes on an X last. Miss Carnahan is sturdier by fifteen pounds than Miss Lewis. Considering that the average size shoe for American womanhood is 3 1/2, Miss Carnahan possesses a small as well as a most shapely foot.

Miss Lewis is well below the average, her foot being 8 1/2 inches long and 2 3/4 inches across the ball.

Miss Carnahan's feet measure 9 1/2 inches in length and are 2 3/4 inches wide.

ACKNOWLEDGE IT

Medford Has to Bow to the Inevitable—Scores of Citizens Prove It

After reading the public statement of this representative citizen of Medford given below, you must come to this conclusion: A remedy which proved so beneficial years ago with the kidneys, can naturally be expected to perform the same work in similar cases. Read this:

Mrs. J. H. Baussum, Central Ave., Medford, Ore., says: "I was so bad with kidney trouble that I could not do my housework. My back was weak and painful and in the morning when I got up, I was lame and sore. The kidney secretions were unnatural and my health steadily ran down until I was hardly able to get about. While in that condition, I read about Doan's Kidney Pills and got a box. I felt better from the time I commenced using them and it was not long before I was cured. I am in a position to recommend Doan's Kidney Pills to anyone afflicted with kidney complaint." (Statement given September 14, 1907.)

**Re-Endorsement**

When Mrs. Baussum was interviewed several years later, she said: "My former endorsement of Doan's Kidney Pills still holds good. Since this remedy cured me I have had no further attacks of kidney complaint and I have enjoyed good health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Auction Sale of Acreage

The undersigned has decided to make another auction sale of 2 1/2 to 5 acre tracts in the Pierce Subdivision between the 15th day of April and the 15th of March.

Since my sale last March much improvement has been done in this locality, positive evidence that this is the preferable location for building suburban homes.

Two nice homes and a number of smaller ones have been built this past summer and fall. Building is now going on in this neighborhood; a new free rural delivery now passes through the Pierce Subdivision. An electric power and light line has recently been constructed. With good roads, free soil and city water, a home here is a little ranch in the city.

For particulars and terms write me.

ILLINOIS KEEPS WOODEN LEG OF SANTA ANA

Wan, Weary and Worn Out

If You Feel Fagged to a Finish and Utterly Used Up Here is Quick Relief.

Don't Be Chained to the Hitching Post of Weariness

Half the people you meet complain of weary muscles, stagnant brain, jangled nerves, and a morbid desire to lay down and just quit. Most of these people have been using nervines that spasmodically flare up the nerves only to die down again, as die they must. Avoid nerve stimulants. Bear in mind that this worn out feeling is due to poor blood, to bacteria in the water you drink; to the multiplying of destructive germs in the blood faster than they can be overcome by the white corpuscles; and to what is known as auto-toxemia, that condition where the venous or impure blood accumulates faster than it can be replaced by the red arterial blood.

If you feel played out go to any drug store and ask for a bottle of S. S. S. Swift's Sure Specific. Here is a remedy that gets at work in a twinkling; it just naturally rushes right into your blood, scatters germs right and left, up and down and sideways.

You feel better at once, hot from a stimulant, not from the action of drugs, but from the rational effect of a natural medicine just as active and just as timely as to a man who has been lost in the mountains, is about starved and comes across a settler just cooling a savory meal of good honest beef. Do not neglect to get a bottle of S. S. S. today. It will make you feel better in just a few minutes. It is prepared only in the laboratories of The Swift Specific Co., 137 Swift Bldg., Atlanta, Ga. Send for their free book telling of the many strange conditions that afflict the human family by reason of impoverished blood.
