SENATE PLEDGED TO ASHLAND NORMAL

SALEM, Ore., Feb. 10.—That the old normal school fight is developing with rapidity is indicated. A bill was introduced in the house by Messrs. of Washington to abolish the Ashland normal and another was introduced in the senate by Harrett of Umatilla to revive the Weston normal. The first move involving the old normal school situation was made a day or two ago when the Jackson county delegation in the house introduced a bill providing for a millage tax for the support and maintenance of the old Ashland normal, which along with the Weston normal had the breath of life struck from it when the legislature refused to make an appropriation for it. It is evident the bill came as a surprise to the Umatilla county delegation, because members in the house said they did not care to revive the fight, but intended to introduce a bill providing for transferring the Weston normal property to the Weston school district. The Jackson county members assert they have seventeen senators pledged to their bill, so they feel sure of getting it through the upper house. The plan is to pass the bill through the senate first and thus give it that much better standing in the house, where the fight will concentrate.

STOCK REMEDIES ARE SHOWN IN WINDOW

A glance into the front window of the commercial club building will be of interest to all who have at heart their own and the welfare of Medford. This fine line of goods and many others not shown in the window including poultry, dog and cat remedies, will be manufactured in and shipped from Medford within about ninety days. The entire line is to be dressed uniformly in new lithographed cartons bearing the label "Made in Medford." Two stock concerns in the east have each made larger cities than Medford. This company may not make our city, but undoubtedly will add much to its rapid growth. The president of this company, Dr. C. J. Kornick, is state veterinarian, and is expected in Medford soon. When the business is established, he and his brother who is associated with him, will make their permanent residence in Medford.

CENTRAL POINT POINTERS

Councilman A. W. Moon made a business trip to Jacksonville and Medford Saturday. E. S. Scott, W. H. Ferguson, R. E. Murray, W. T. Stidham and I. J. Purkeypile were transacting business in Medford Saturday. Miss Smith of Medford was the Saturday guest of Mrs. R. C. Reame in this city. Mr. Richmond of Fort Jones, Cal., spent Saturday here negotiating with the managers of the Rogue River hand for the hand to play a three day engagement at Fort Jones in July, including the fourth, and will most likely secure the hand for the celebration. Mr. and Mrs. R. H. Paxton have returned from a southern California trip. Harry E. Beal of Medford spent Sunday here. Mr. and Mrs. Broadbent, Mr. and Mrs. Adams, Mr. and Mrs. Sturtevant, Miss Pearl Ross, Miss Florence Stearns, F. J. Taylor and son Raymond, Ernest Minnot and Sam Marshall spent Sunday afternoon in Medford. Emil Lange left Sunday for Vork-

EAGLE POINT EAGLES

Mr. McQuaid, Sr., who left here some months ago to try to find a climate better adapted to his wife's condition, for she has been in poor health for some time before he came

here to live, returned a few days ago, but I have not seen him as yet and therefore am unable to assign a reason for his return, but learned that Mrs. McQuaid was no better. His many friends will extend to them a cordial greeting. Dr. Hedges is making his regular visit to the Sunnyside three times a week. I omitted to state in my last that Mrs. J. Frank Brown gave a card party at her home on the evening of the 5th. There were eighteen couples present and the evening was spent playing five hundred and whist. Light refreshments were served and my informant tells me that they had a very pleasant time, and I will venture the assertion that they were bound to have a good time, as Mrs. Brown (Amy) knows just how to arrange so as to have a good time wherever she goes. I see that some of our merchants are beginning to receive their new spring goods and business is looking up again. There is to be an election held in our town next Tuesday on the subject of selling a franchise to the Eagle Point and Butte Falls Telephone company for thirty years in consideration of one dollar and no more. Corden Terrel of Lake Creek and one of the McCabe boys were guests at the Sunnyside last Thursday. Mr. Terrel was buying a lot of dishes of our hardware merchant, Roy Ashpole. Mr. and Mrs. Quackenbush and her sister, Mrs. Gorman, were buying goods from our merchants last Wednesday. Miss Grace Conley was visiting friends in town during the week. The telephone company have a new switchboard and expect to have it installed in a short time. The city council have had the town hall wired and getting it ready for the electric lights when we get the "juice." W. W. Taylor has had the telephone line extended to his residence on the north side of the railroad track. A friend of mine has sent the following clipping with the request that I insert it in my Eagles, and as Mr. Parker was for several years a resident of Medford and still has a number of friends here I think they will be interested in the notice: "Captain M. F. Parker, master and part owner of the good ship Mazama that sails the waters of Upper Klamath lake, and Mrs. Belle Bennett, were married at Shippington last evening. The ceremony proved the most auspicious social event of the season, both parties have a wide circle of acquaintances, who bid them success on their latest voyage."

hies station to accept a position as managing foreman of an orchard in that vicinity. Rev. Brank of this city is holding a series of meetings at Talent this week. Mr. Hardy, one of the teachers in the Gold Hill high school, spent Saturday here on school business. Mrs. Gallagher of Rock Point spent Sunday here. Mrs. A. P. Gillette is spending a few days this week in the vicinity of Gold Hill. Mr. and Mrs. J. S. Vestal of Reess creek spent the week-end with friends here, returning home Monday.
