The evangelistic services at Table Rock school closed on Sunday night.

The program given by the "Arrowheads" on Saturday night was well attended, the house being filled to its capacity. All had come for a good time and they were not disappointed.

John Nealon who is teaching school at Ruch came home on Saturday and returned on Sunday.

The Grants Pass boys who have been doing the electric work at Table Rock have become very popular with young and old.

CIRCULATE PETITION FOR LE MASTER'S RELEASE

A petition asking Governor West to pardon T. A. Le Masters, serving a 200 days' sentence in the county jail on a conviction for bigamy, is being circulated by friends in this city and will be forwarded to Salem this week. Confinement in the county jail is supposed to have aggravated a slight touch of consumption, from which Le Masters is now suffering. Unless freedom comes his condition is apt to be serious before the expiration of his sentence, and a speedy release is the only chance he has for life.

COUNTY JUDGES OBJECT TO BEING ABOLISHED

SALEM, Ore., Feb. 11.—If the office of county judge is abolished by the present legislature it will apparently be under a compromise measure that will leave all county judges in office until the next general election in 1914.

This amendment to the Latourette bill, which substitutes the superior court system in Oregon for the present circuit courts, and would legislate county judges out of office as soon as the bill becomes a law, will be recommended by the judiciary committee of the house which now has the bill under consideration. Latourette is a member of this committee and the amendment has his approval.

There are 34 county judges in Oregon, and they and their friends have developed a powerful opposition to the measure in its original form. Many of the judges were elected in 1912 after arduous campaigns, and they declare it would be unjust to them to abolish their office and salaries within a few months after they had been elected to serve four years. By giving them two years in office it is hoped to allay much of their opposition. The full terms of many other county judges will expire in 1914.

NOTICE FOR BIDS.

Notice is hereby given that sealed bids for a steel bridge across Rogue river, section 13, twp. 36, R 2 W. of W. M. in Jackson county, Oregon, on site of present bridge will be received and opened at 10 o'clock a. m., March 5, 1913, at the office of the county court of Jackson county, Jacksonville, Oregon.

Bids will be received, first for furnishing steel, rivets, etc., as per plans and strain diagram f. o. b. Medford, Oregon; second for furnishing steel, material and labor for bridge complete and erected, including approaches, etc., as per plans and strain diagram on file in the county clerk's office, Jacksonville, Oregon.

Each bidder is required to deposit with his bid, 5 per cent of the amount of his bid, which shall be forfeited to the county in case he is awarded the contract for the construction of said bridge in accordance with his bid and he fails, neglects or refuses for a period of two days after such award is made to enter into a contract and file his bond.

A bond will be required from the successful bidder as required by law.

The county court reserves the right at its discretion to reject any and all bids.

Dated Feb. 3, 1913.

G. A. GARDNER,
County Clerk for Jackson County.
