Auction Sale of Acreage

The undersigned has decided to make another auction sale of 2 1/2 to 5 acre tracts in the Pierce Subdivision between the 15th day of April and the 15th of March. Since my sale last March much improvement has been done in this locality, positive evidence that this is the preferable location for building suburban homes. Two nice homes and a number of smaller ones have been built this past summer and fall. Building is now going on in this neighborhood; a new free rural delivery now passes through the Pierce Subdivision. An electric power and light line has recently been constructed. With good roads, free soil and city water, a home here is a little ranch in the city. For particulars and terms write me.
