BANK NOTICE THE JACKSON COUNTY BANK Capital - \$100,000.00 Surplus - 75,000.00 This bank was established 25 years ago to meet the banking needs of this community, with a paid capital of \$25,000.00, and ever since said time has endeavored to keep abreast of, and with the financial conditions of this country and the community which it serves. Its policy in the future will be the same as in the past. According to the judgment of this bank, the one vital necessity at this time is that the Rogue river valley give its aid and support to the consummation and completion of the Rogue River Valley Company's irrigation project. We trust that at the meeting and rally on February 22, 1913, and at all other times, the owner of land under this proposed project will give those interested in the consummation and completion thereof careful and thoughtful consideration.
