The highest point of woman's happiness is reached only through motherhood. Yet the mother-to-be is often fearful of nature's ordeal and shirks from the suffering incident to its consummation. In Mother's Friend is to be found a medicine of great value to every expectant mother. It is intended to prepare the system for the crisis, and thus relieve, in great part, the suffering through which the mother usually passes. The regular use of Mother's Friend will repay any mother in the comfort it affords before, and the helpful restoration to health and strength it brings after labor.

Write for our free book for expectant mothers which contains much valuable information. BRADFIELD REGULATOR CO., Atlanta, Ga.

Nothing Adds So Much to the charm of womanliness as pearly white teeth. They are unerring indicators of well-bred women. No matter how perfect your complexion, my dear lady, nor how fair of face, if your teeth fail to get their daily scrubbing with a good tooth paste or powder and the right kind of a brush, you miss one of the chief aids to that undefinable attractiveness so jealously guarded by your more favored sisters, and so effectively used against the sterner sex.
