

MEDFORD YOUTH ESCORTS MARSHALL IN GREAT PARADE

WASHINGTON, March 4.—When Vice-President Thomas R. Marshall rode down Pennsylvania avenue after taking the oath of office in the senate chamber of the capitol in Washington March 4th, a Medford boy carried the guidon of the troop of cavalry which acted as his personal escort. Charles Curtis Anderson, son of Bert Anderson, is quartermaster sergeant in the famous Black Horse troop of Culver Military Academy, Culver, Indiana, which organization was accorded the honor of forming the first vice-president escort ever seen on Pennsylvania avenue since the inaugural parade became a feature of the ceremonies attending the installation of each new administration. Young Anderson is a trooper at Culver where he is a member of the junior class.

The Culver Black Horse troop is composed of the most proficient horsemen of the cavalry department of the Culver Military Academy. The young men who accorded this high honor have been carefully trained after the manner of the regular cavalry service. Culver includes in its equipment one of the finest riding halls in this country.

The institution enrolls a very representative class of cadets. The sons of many prominent and distinguished men have been enrolled in the institution. Young W. J. Bryan spent several years as a cadet at Culver. Several members of the Madero family of Mexico received their training at the Indiana institution.

BORDER TROOPS TYRANTS TO AMERICANS, SENATE IS TOLD

WASHINGTON, March 4.—An attack on the policy pursued by the United States in patrolling the Mexican border during the Mexican revolutions was made in the senate today by Senator Fall of New Mexico, a member of the special investigating committee that conducted the recent investigation of border conditions. Fall declared the investigation revealed cases frequently where armed United States troops had been used to arrest Americans on American soil, that Americans had been thrown into prison and deprived of life and liberty. "Not in a single instance" said the senator, "but a condition that has been general along the border for over a year." Fall declared we would be much more justified in sending troops into Mexico than marines into Nicaragua.

DECLARES THIS IS BEST FRUIT BELT IN UNITED STATES

That the Rogue river valley is the best fruit district in the United States is the declaration in a letter received today by J. E. Barkdull from A. Mount and Sons, of Canterbury, England, who visited the valley last fall on a tour of the fruit districts of the United States. Mr. Mount states that he failed to see any section of the United States devoted to fruit growing, which was equal to this.

No Longer Do Women Fear The Great-est of All Human Blessings.

It is a joy and comfort to know that those much-talked-of pains and other distresses that are said to precede child-bearing may easily be avoided. No woman need fear the slightest discomfort if she will fortify herself with the well-known and time-honored remedy, "Mother's Friend."

This is a most grateful, penetrating, external application that at once softens and makes pliant the abdominal muscles and ligaments. They naturally expand without the slightest strain, and thus not only banish all tendency to nervous, twitching spells, but there is an entire freedom from nausea, discomfort, sleeplessness and dread that so often leave their impress upon the babe.

The occasion is therefore one of unbounded, joyful anticipation, and too much stress can not be laid upon the remarkable influence which a mother's happy, prenatal disposition has upon the health and fortunes of the generation to come.

Mother's Friend is recommended only for the relief and comfort of expectant mothers, thousands of whom have used and recommended it. You will find it on sale at all drug stores at \$1.00 a bottle. Write to-day to the Bradford Regulator Co., 130 Lamar Bldg., Atlanta, Ga., for a most instructive book on this greatest of all subjects, motherhood.

BIDS FOR BRIDGE OPEN WEDNESDAY

Bids for the construction of a new steel bridge to replace the present one over Rogue river near Table Rock, and known as Bybee bridge, will be opened by the county court Wednesday, when the court will meet in regular monthly session. A number of bids have been received.

While this will be probably the most important matter to come before the commissioners, a large amount of routine business will be transacted.

A contract for the bridge is to be let at once and work rushed on the structure.
