NEW GAME CODE MAKES CHANGES IN HUNTING SEASON

The new state game code is meeting much favor at the hands of hunters and anglers.

The hunting and fishing statutes are placed on a new basis, in that the state gives permission as to who shall hunt and under which conditions game shall be hunted. Under the old code, the opposite stand was taken. It stated that one could hunt, except as forbidden. The new law gives the state full ownership of all game.

Absolutely Forbids Sale.

The code fobids absolutely the sale of any kind of game or fish. This does away with the period of one month in the fall when ducks may be sold and four months during the winter when geese may be sold in addition to the months for the sale of game fish.

The killing of game by any alien is practically forbidden by reason of a high license.

Non-resident anglers' licenses are abolished and anyone can fish during the seasons by paying the $1. The non-resident hunting license is $10.

Buck Season Cut Up.

A uniform deer hunting law for the whole state is established by the measure, lasting from August 1 to October 31. The law states that three deer, with horns, can be killed by one huntsman during the season. The deer must be tagged when killed; and the licenses henceforth will be sold with three tags attached.

The word trout is defined as meaning any speckled, brook, cut throat, Dolly Varden, brown, rainbow, or salmon trout or steel head or salmon under 15 inches in length. Sale is absolutely forbidden.

Jackson county and all that portion of Oregon west of the Cascades is made district No. 1, and that portion east of the Cascades district No. 2.

Game birds that are protected at all times and on which there is no open season are: Female Chinese pheasant, silver pheasant, golden pheasant, Reeves pheasant, English partridge, Hungarian partridge, Franklin grouse, prairie chicken, bobwhite quail, swan, wild turkeys and small shore birds commonly known as sandpeeps and sand pipers.

Non-game birds, such as song birds, meadow larks, robins, orioles, thrushes, etc., are protected at all times. The only non-game birds that can be slaughtered are hawks, owls, cormorants, merganser ducks, crows and ravens, magpies and blue jays. Destruction of birds nests and taking of bird eggs is forbidden.

Open Game Season.

The open seasons are as follows for district No. 1: Deer with horns: August 1 to October 31; limit three.

Silver gray squirrels: October 1 to October 31; limit five.

Ducks, geese, rails, coots and shore birds, November 1 to February 15; limit 30.

Male Chinese pheasants, blue grouse, suffled grouse, native pheasants: October 1 to October 31; limit five. No open season on Chinese pheasants in Josephine, Jackson, Coos or Curry counties.

Mountain and valley quail: October 1 to October 31; limit 10.

Doves and wild pigeons: September 1 to October 31; limit 10.

Night hunting and fishing between one half hour after sunset and one half hour before sunrise is forbidden.

Civil liabilities are imposed as well as other penalties for violation. No shotgun can be used larger than 10 guage. Snag or gaff hooks and set lines are forbidden anglers. Trapping or snaring of game, animals, birds or fish is also forbidden. Shooting at game from or upon railroad right of way, public road or highway is unlawful.

Beaver May Be Killed.

Beaver or other animals or birds doing damage to property can be killed by obtaining written permission from the state game warden, under restrictions imposed, the animals thus slain becoming the property of the state game board.

No person under 14 is permitted to hunt with a gun on lands other than his parents' premises.

All guns, dogs, boats, traps, fishing apparatus used in violation of the law as well as game or fish taken unlawfully shall be forfeited and seized by the wardens.

Placing of poisoned wheat where game birds or non-game birds can feed is forbidden, as is the use of live pigeons as targets.

The open trout season for district No. 1 is from April 1 to October 31; bag limit 75 fish, or 50 pounds in one day. Trout over 10 inches in length, open season April 1 to January 31; bag limit 50 fish or 50 pounds. It is unlawful to catch trout under six inches in length.

Violation of game laws entails forfeiture of license and denial of privilege of hunting or angling for the balance of the year, as well as other penalties.

Fines of from $200 to $1000 are provided for hunting mountain sheep, goat, antelope, elk, moose or caribou, and from $25 to $500 and costs for other violations.

PERSONAL ESCORT OF PRESIDENT IN THE INAUGURAL PARADE

MORNING AFTER APPEARANCE IN NATION'S CAPITAL

WASHINGTON, March 5.—The streets of the capital presented a genuine "morning after" appearance today. Thousands of lunch boxes, portions of the decorations and paper littered the principal thoroughfares.

"It's great," said the superintendent of the street cleaning department today, "to inaugurate a man like Woodrow Wilson president, but it will take just a week of solid work to clean up."

The railroad and trolley stations were jammed with visitors today returning home. However, some are sightseeing and will remain in the city until the end of the week.

The weather today was perfect in contrast to that of yesterday, when a cold wind blew all day. Most of the governors of states and their staffs remained in Washington today to pay their respects to President Wilson.

Remarkable Action of a Remedy That Drives Every Speck of Poison From Body.

There is a strange, mysterious power in a remarkable blood medicine that finds its way through the circulation by what is known as Divine selection. The remedy is Swift's Sure Specific, or S. S. S.

Science cannot explain just why certain elements in the blood feed the bones, others nourish the hair roots, and so on. And it is this same mysterious action of S. S. S. that attacks all diseased spots, drives away all germs, heals all sores and supplants the activity of disease germs with the powerful healing action of leucocytes. Remarkable testimonials have been written that prove beyond question there is no blood disease but what can be cured by S. S. S. And in all those cases that were treated with mercury, iodides, arsenic, copper and other minerals with no permanent effect, the most astonishing recoveries have been made by S. S. S.

There is not a blood taint of any nature that can remain in a system fortified by this most wonderful remedy, for it is absolutely pure and contains only those elements that the blood naturally assimilates, and which the tissues gratefully accept. It agrees with the most delicate stomach, even in those cases where the use of strong drugs has so weakened the digestive system that medicine cannot be given. Get a $1.00 bottle of S. S. S. at any drug store and thus be assured of a complete cure of any eruptive blood disease. If your case is peculiar and you desire special advice write to The Swift Specific Co., Medical Dept., 127 Swift Bldg., Atlanta, Ga.

BAR ENDORSES A. E. REAMES FOR SUPREME BENCH

The local bar association has unanimously endorsed A. E. Mr. Reames' appointment will be asked of Governor West by Southern Oregon generally.

Mr. Reames is eminently well qualified for the position and has the endorsement of leading citizens regardless of politics. As this section of the state is not represented on the supreme bench it is believed that Governor West will heed a request from this section.

ANAEMIC PEOPLE

Need More Iron in the Blood.

If you are anaemic, you need more iron in your blood, and the tell-tale symptoms are a pale face,—colorless lips, ashen finger nails, poor circulation, and short breath, and more serious diseases are easily contracted in this condition.

What Vinol did for Mrs. G. S. Manuel of San Antonio, Texas, it will do for every anaemic run-down person. She says: "I was weak and nervous and had general debility for about three years. My health was badly run down and my complexion became salow and badly affectd with pimples. While in this weakened condition, I contracted pleurisy, which made it very hard for me. I am happy to say that Vinol has restored me to health again, and I have no cough or soreness of the lungs at all."

We ask every anaemic or run-down, weak person in this vicinity to try a bottle of Vinol with the understanding that their money will be returned if it does not do all we claim. Medford Pharmacy, Medford, Ore.
