Throw out your chests, you gay Lotharios! Have you heard that the tailors in national convention in Cleveland recently decided that men were better looking than women. And also, have you heard the latest edit that padless coats should be worn if one would be in style? The tailors say that the masculine gender is so generally fair to see that it is spoiled by wearing garments so stuffed with buriap and curled hair that they make every one who wears them look like a football hero.

Sleeping shoulders, giraffe style, after this, and the fashion for male attire is to become less concealing of latent beauties from this very day. The knights of the shears in their combative mood man as the beautiful sex. If he did not have to cut his hair short and neglect his complexion and pay little or no attention to his attire they are certain he could soon distance the fair and often unquiet sex in the matter of sublimity.

Stork and Cupid Cunning Plotters

There is usually a certain degree of dread in every woman's mind as to the probable pain, distress and danger of child-birth. But, thanks to a most remarkable remedy known as Mother's Friend, all fear is banished and the period is one of unbounded joy and anticipation.

Mother's Friend is used externally. It is a most penetrating application, makes the muscles of the stomach and abdomen pliant so they expand easily and naturally without pain, without distress and with none of that peculiar nervousness, nervousness and other symptoms that tend to weaken the prospective mother. Thus Cupid and the stork are held up to veneration; they are rated as cunning plotters to herald the coming of a little nuisance to gladden the hearts and brighten the homes of a host of happy families.

There are thousands of women who have used Mother's Friend, and thus know from experience that it is one of our greatest contributions to healthy, happy motherhood. It is sold by all druggists at \$1.00 per bottle, and is especially recommended as a preventive of raking breasts and all other such distresses.

Write to Bradford Regulator Co., 131 Lamar Bldg., Atlanta, Ga., for their very valuable book to expectant mothers. Get a bottle of Mother's Friend today.
