### CASCARETS SURELY STRAIGHTEN YOU OUT.

If Constipated, Bilious, Headachy, Stomach Sour, Get a 10-cent Box of Cascarets—Take One Tonight.

You men and women who can't get feeling right—who have headache, coated tongue, foul taste and foul breath, dizziness and upset, bothered with a sick, gassy, disordered stomach, or have back-ache and feel worn out.

Are you keeping your bowels clean with Cascarets, or merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important.

Cascarets work while you sleep; cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the intestines and bowels.

A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular and head clear for months. Don't forget the children. They love Cascarets because they taste good—do good—never gripe or sicken.

### ELIMINATE FEES AND SAVE MONEY PLAN OFFICIALS

County Judge Frank L. Tou Velle and District Attorney Kelly have evolved a new scheme calculated to save the county a large amount of money if fees paid to justices of the peace over the county. Colonel Tou Velle, as county judge, is a committing magistrate but is allowed no fees. He will hold a session of court once or twice a week and hear cases ordinarily brought in the justices' courts and in this way save much of the taxpayers' money.

Every department of the county is carefully being studied by Judge Tou Velle and where ever a saving can be effected by his handling the work he immediately puts it into effect.

**"I've been selling Studebaker Wagons and Buggies for over 30 years."**

"I've sold them because my reputation as a dealer was at stake and from experience I have found that Studebaker means the best."

That tells the story. Farmers bought Studebaker wagons before the Civil war and they have been buying them ever since.

Because they had confidence in the name Studebaker and in the sturdy, dependable wagons and buggies they build. And that confidence has been upheld. Studebaker wagons are built on honor and the Studebaker guarantee goes with every one.

There's a Studebaker for your needs—whether you live in city, town or country.
