WOMAN FEELS 10 YEARS YOUNGER

Another Sufferer Relieved. Romayor, Texas. — "I suffered terribly with a displacement and bladder trouble. I was in misery all the time and could not walk any distance. I think the Compound is the finest medicine on earth for suffering women." — Mrs. VIOLA JASPER, Romayor, Texas.

Mother's Advice To Her Daughter A Real Live Doll to Fondle is Woman's Greatest Happiness.

One of the most important matters about which women concern themselves is their future status as a grandmother. And she is wisest that who knows of "Mother's Friend." This is an external application for the abdominal muscles, and breasts. It certainly has a wonderful influence, always all fear, banishes all pain, is a most grateful encouragement to the young, expectant mother, and permits her to go through the period happy in mind, free in body and thus destined to anticipate woman's greatest happiness as nature intended she should.

The action of Mother's Friend makes the muscles free, pliant and responsive to expansion. Thus all strain and tension upon the torso and ligaments is avoided, and, in place of a period of discomfort and consequent dread, it is a season of calm repose and joyful expectation.

There is no nausea, no morning sickness, no nervous twirling, none of that constant strain known to so many women, hence Mother's Friend is really one of the greatest blessings that could be devised.

This splendid and certain remedy can be had of any druggist at \$1.00 a bottle, and is sure to prove of inestimable value, not only upon the mother, but upon the health and future of the child. Write to Bradfield Regulator Co., 132 Lamar Bldg., Atlanta, Ga., for their book to expectant mothers.
