

LOCAL AND PERSONAL

Pedestrians on East Main street Wednesday morning were startled to see a horseless buggy running down the hospital hill and turn over in the grape vines. Probably a gust of wind blew the buggy down the hill. No one appeared to claim the wreck and the incident was suggestive of spooks without the gusts of wind accounted for it.

THREE JUDASES READ OUT OF UNEMPLOYED ARMY

STOCKTON, Cal., March 12.—With twenty men on foot, 11 in an electric car and one in the emergency hospital with chills and fever, Carl Browne's "army of the unemployed" started on its march to Sacramento today to demonstrate to the legislature that it should pass the bill to provide state employment for jobless men.

Nearly two hundred men partook of the army's "mulligan" and broke bread, literally, with Carl Browne on the Stockton plaza last night, but although they had all signed up for the hike, only a few of them were in the ranks this morning.

Last evening several I. W. W. members tried to break up Browne's meeting and three of Browne's recruits deserted.

"Christ had one Judas out of 12, and I have three out of 48," shouted Browne to his four hundred listeners, and he was applauded.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

After Long Suffering

Women Are Constantly Being Restored to Health by Lydia E. Pinkham's Vegetable Compound.

"Worth mountains of gold," says one woman. Another says, "I would not give Lydia E. Pinkham's Vegetable Compound for all the other medicines for women in the world." Still another writes, "I should like to have the merits of Lydia E. Pinkham's Vegetable Compound thrown on the sky with a searchlight so that all suffering women could read and be convinced that there is a remedy for their ills."

We could fill a newspaper ten times the size of this with such quotations taken from the letters we have received from grateful women whose health has been restored and suffering banished by Lydia E. Pinkham's Vegetable Compound.

Why has Lydia E. Pinkham's Vegetable Compound accomplished such a universal success? Why has it lived and thrived and kept on doing its glorious work among the sick women of the world for more than 30 years?

Simply and surely because of its sterling worth. The reason no other medicine has ever approached its success is plainly and simply because there is no other medicine so good for women's ills.

Here are two letters that just came to the writer's desk—only two of thousands, but both tell a comforting story to every suffering woman who will read them—and be guided by them.

FROM MRS. D. H. BROWN.

Iola, Kansas.—"During the Change of Life I was sick for two years. Before I took your medicine I could not bear the weight of my clothes and was bloated very badly. I doctored with three doctors but they did me no good. They said nature must have its way. My sister advised me to take Lydia E. Pinkham's Vegetable Compound and I purchased a bottle. Before it was gone the bloating left me and I was not so sore. I continued taking it until I had taken 12 bottles. Now I am stronger than I have been for years and can do all my work, even the washing. Your medicine is worth its weight in gold. I cannot praise it enough. If more women would take your medicine there would be more healthy women. You may use this letter for the good of others."—Mrs. D. H. Brown, 809 North Walnut Street, Iola, Kan.

MRS. WILLIAMS SAYS:

Elkhart, Ind.—"I suffered for 14 years from organic inflammation, female weakness, pain and irregularities. The pains in my sides were increased by walking or standing on my feet and I had such awful bearing down feelings, was depressed in spirits and became thin and pale with dull, heavy eyes. I had six doctors from whom I received only temporary relief. I decided to give Lydia E. Pinkham's Vegetable Compound a fair trial and also the Sensitive Wash. I have now used the remedies for four months and cannot express my thanks for what they have done for me."—Mrs. Sadie Williams, 145 James Street, Elkhart, Indiana.
