the fountain in the city park, which address: looks like it had gone 20 rounds with so Tuesday night when they let a contract for the work.

The fountain was wired about three years ago and since then lights "shorted" so that instead of casting its beams afar by night, it barely nights arrive.

JOLTS AND JINGLES By Ad Brown

The Song of the Quiet Man. They tell me that up where the sn drifts still linger

That the bear and the deer stylk out in the sun,

Though the law has a chain on man's trigger finger It doesn't faze me-for I can't shoot a gun.

They tell me the fish in the creeks and the river

Are leaping and twisting so play ful they feel, But the heart in my breast doesn't

flutter or quiver, For I haven't a share in a rod

a reel.

coming. The green on the hills climbs up

toward the snow, I can hear the birds sing and can

hear the bees humming-And I don't take a gun when tramping I go.

The man who sits in the Conning Tower has started a movement to have O. Henry placed within the shelves of the public library. He has struck a note that will find echoes in many hearts, for not only is O. Henry loved by the "reading" public but he has intimately touched legions to whom few writers appeal. The only objection to O. Henry in the Medford library is that the books would be soon worn out.

In other words, we second the mo-

East Main street it at least attracted in the government forest nursery find native willows which will be Mrs. Bean's parents, Mr. and Mrs. someone's attention to the fact that near Carson, Wash. These cuttings adapted to different parts of the John Brown. the cracks were there.

from the creek.

Have you quit knocking Bud Ar derson yet?

The Easter hat will soon appear To cause the loyous thrill, Then, sure as nightime follows da Will come the Easter bill.

DOLLAR DIPLOMACY DONE.

THE days of "dollar diplomacy," inaugurated by Roosevelt and fostered extensively by Taft, are evidently ended. Such is the announcement of the Wilson administration.

"Dollar diplomacy" consisted in using the United States government as a collection agency for Wall street ities to employes, which has long been for some time, as all vegetation bankers for loans made other nations-principally Central told in verse and story, received a needs moisture very badly. and South American countries.

American collectors of customs are now stationed in filed with the city council Tuesday dent on Monday while engaged at several countries, collecting, under Uncle Sam's super- evening. Patton asks the city counvision, money owed New York syndicates, for which the cit to reward one of its oldest em- was splitting wood when a flying customs were pledged.

In some instances armed intervention by the United wages. States has followed revolutions in local government and the "ins" forcibly kept in by the American army and navy pup. He knows more about its at a cost of American life, to protect the loans made by streets, alleys, sewers, walks, water Wall street.

In China the use of the United States government for any other three men in town, and yet the benefit of special interests was even more notorious.

Recognition of the Chinese republic was refused until that and gets a job for a day or two. Patrepublic consented to borrow money on terms dictated by ton believes this unjust and asks that the financiers of the six powers, which would give those Bill's wages be raised. Bill didn't Sunday. powers a strangle hold on the baby republic. The United and wouldn't ask for himself. States was one of the six powers, but the United States finance committee. It is believed that Haymen's nephew, Mark Ferns, and did not contemplate loaning China money, but was acting the request of Patton on behalf of wife of Fern Valley. in the interest of Wall street. By refusing recognition, Bill Garrett will be granted. the United States forced China to come to the terms of the financiers.

The Wilson administration is making a good start in TARIFF REVISION ONLY restoring the nation to the people and democracy to its ideals. Dollar diplomacy meant the desecration of the flag, not its glory.

BRYAN'S BLAZING INDISCRETION.

FOUNTAIN IN PARK THE tory press of England is ablaze with righteous indignation over the "blazing indiscretion" of Secretary of State Bryan. Said "blazing indiscretion" con- frage and currency reforms. The The electrical display in and about sisted of the following remarks made in a St. Patrick' day

Two years from now Ireland will be celebrating home rule. There is wants the tariff alone considered at

Bud Anderson and had most of its light punched out is to be rewired and rejuvenated. The city dads said mark the end of aristocratic rule.

When the House of Lords is compelled to bow to The People it will mean the beginning of home rule for the whole earth. It will be a tremendous triumph for ireland, and her part in the great struggle will be gratefully remembered by every country that is struggling for freedom.

The victory of this great principle will not be acceptable at first, the light—good. If you were to try have disappeared and circuits perhaps, to Great Britain and Scotland; but in the end they will find that

it is immensely to their benefit. Sentiments much stronger have been uttered repeatpunctures the darkness. This is to edly throughout England. They are the remarks of a real selves. Every time you find yourself John Graffes, Mr. and Mrs. W. E. be remedied before the soft summer democrat, believer in a world democracy.

Depriving any people of home government is undemorest on the consent of the governed. A handful of hereditary peers, overlords of special privilege, alone prevent the people of Ireland from ruling themselves.

The House of Lords is an anachronism in the twentieth thoughts unclean, unjust, malicious of Mrs. Caroline Hutton, who left century. It is a feudal survival the nation long ago out- or obstructive are there, bring in for her home in Harney county Sungrew-a parasite on the people. At best, even in conservative England, it can last but a few days before the leveling done your best in this line of noble Furry, Zuaneta Furry, Mr. and Mrs. power of democracy.

The world needs more diplomats like Bryan who tell much. You have taken a step, a lit- Donald, Mr. and Mrs. C. Carey, Mrs. the truth instead of polished inanities.
