RALEIGH, N. C. CHILD

Made Strong and Well by Vinol. When we tell you that Vinol is the best remedy in our whole stock for making weak, puny ailing children strong, robust and rosy we are only telling you what has been proved by hundreds of mothers. Mrs. W. O. Strother, Raleigh, N. C., says: "My little girl, Hazel, has been taking Vinol to build her up after a severe spell of sickness. It has done so much good by restoring her appetite and building up her strength that I think Vinol is the finest tonic ever prepared and I am telling everyone about it." What Vinol did for this little girl it will do for every weak, and ailing child because sickly children need the strengthening cod liver elements and the tonic iron that Vinol contains—that is why Vinol builds them up quickly and gives them a fine healthy color. It is pleasant to take and we guarantee that the results will satisfy you—money back if they do not. Medford Pharmacy, Medford, Ore.
