A Physician's Faith in Tuberculosis Medicine

"Have used Eckman's Alterntive in several cases of tubercular glands of the neck, with excellent results every time, in one case it cost me \$50, for the girl was put on it only until she could arrange to be operated, and in a short time an operation was not needed. I suppose your records are just as fine as of old. You know my faith in it." (Original of this physician's letter on file.) Eckman's Alterntive is effective in other forms. Read what Mrs. Garrin says:—

Idaha Falis, Idaho.

"Gentiemen: I have gained twenty-two pounds since last February and my haby is in perfect health. I have been waiting since she was born to see how I would get slong. I am now doing all my work, have been ever since she was four weeks old, and I am steadily gaining. I do not cough or raise anything at all. I believe my long trouble is cured."

(Sworn affidavit) Mrs. M. H. GARVIN.

Note—Mrs. Garvin has seven children.

Eckman's Alterntive is effective in Bronchills, Asthma, Hay Fever; Thront and Long Troubles, and in upbuilding the system. Does not contain poisous, opiates or habit-forming drugs.
