

MAYOR EIFERT IS THROUGH WITH FIGHT, HE SAYS

At an executive session of the mayor and members of the city council Wednesday evening from which all other were barred, Mayor Eifert announced that he was through with the fight which has existed between members of the council and himself and that he would no longer attempt to force the appointments of city officials but allow the councilmen to choose who they desired. His only condition was that the council pick an entire list and relieve him of stating his preference for anyone. Mayor Eifert's move is said to have come as a surprise to those who have been supporting, and those who have been opposing his moves.

"I am through with the fight," states the mayor, "and I am willing that the council shall have the power, they have prevented me having. I wish harmony to prevail in civic affairs for the good of all."

The council has not yet signified as yet its choice of employees but it is almost a certainty that E. J. Runyard will be retained as marketmaster and O. Araspiger as city engineer. It is also believed that Hittson will remain as chief of the police department. A city attorney has not been decided upon. Among those most prominently mentioned are Judge Purdin, E. E. Phipps and R. B. McCabe.

The council will meet Friday evening when the matter will probably be further discussed.

GIANTS WON BY SCORE OF 3 TO 0

The 75 local fans who journeyed to Grants Pass Wednesday afternoon to see the ball game between the American Giants (colored) and the Grants Pass team were well repaid for their trip the game being a splendid one, the score being 3 to 0 in favor of the Giants.

The first two runs were due to errors but the Giants batter out the third one.

NADEAU NOT HELPED BY TURTLE SERUM

LOS ANGELES, Cal., April 3.—"Not only was I not benefited by the Friedmann serum but I failed to find a single patient who was."

This was the statement here today of E. C. Nadeau of Long Beach, who has returned from Berlin where he received the Friedmann tuberculosis cure. Nadeau said that he believes Dr. Friedmann sincerely believes in his treatment but that in cases of which he is cognizant it has had but little beneficial effect.

PLANT A VINE OR TREE APRIL 11

The ladies of the Greater Medford Club have designated April 11 as a general clean up and tree planting day in the city and will use that day to beautify the grounds about the library building. On April 11 every man, woman and child in the city is urged, not only to clean up about their homes but to plant a vine, tree or shrub.

The school children will be asked to aid in the matter and assist in tree planting.

The city officials have promised to aid the ladies in carrying out the plan.

HASWELL IS PROMPTLY CLEARED OF CHARGE

The case of the state vs. H. T. Haswell of this city, for embezzlement did not reach the jury in the circuit court Wednesday afternoon as the prosecution failed to establish a case of action.

Haswell was accused of embezzling \$90 while acting as the agent of the Wood-Curtis company of Sacramento. He is said to have drawn this amount and neglected to charge it to his account. Investigation showed that he had made no attempt to defraud the company.

TOMMY BURNS UNABLE TO KNOCK OUT PELKY

CALGARY, Canada, April 3.—Despite the fact that he put his opponent to the mat three times, the best thing Tommy Burns, former heavyweight, could do against Arthur Pelky of Chicopee, Mass., was to secure a popular decision in their contest here last night. No decision was rendered at the ringside.

Pelky was at least a foot taller than Burns and outweighed him by fifteen pounds. He stood up and swapped punches with Burns and his aggressiveness adequately offset the knockdowns.

TOWNSEND CASE NOW UNDER WAY

The case of the state vs. Cecil Townsend for attempting to gain main through fraudulent methods was called in the circuit court today.

Townsend has been in trouble many times and has been confined in the county jail on two charges. The last offense, for which he is now on trial, occurred recently at Ashland. He was tried for insanity but not held.

REED'S BABY IN COURT WITH HIM

MARSHFIELD, Ore., April 3.—Fred Reed, driver of the auto that was wrecked on North Front street early Friday morning, killing L. K. Hallinger, and injuring W. R. Haines, has had his preliminary hearing on the charge of involuntary manslaughter before Justice Pennock.

Reed is fighting hard against being bound over to the grand jury, and much of the evidence given at the coroner's inquest is being relished.

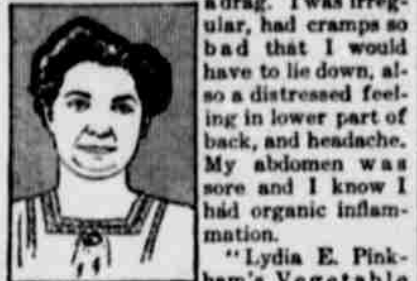

Reed sat at the table looking very serious in full realization of the charge against him.

Not even the smiles of his little two-year-old daughter, Wave, or her babyish prattle as she would run over across the courtroom from her mother and climb up on his lap would relieve his countenance.

Little Wave, a childish beauty, will probably be the best witness her father has, if the case goes before a jury, in case Reed is bound over. Today with a baby cap, with pink bows, white and pink dress, she smiled and played, little realizing what the occasion meant to her and her parents. Mrs. Reed remained in the ante-room of the justice office during the hearing, but where she could hear and see everything that transpired.

CRAMPS, HEADACHE, BACKACHE, Yield to Lydia E. Pinkham's Vegetable Compound.

Cedar Rapids, Iowa.—"I was always tired and weak and my housework was a drag. I was irregular, had cramps so bad that I would have to lie down, also a distressed feeling in lower part of back, and headache. My abdomen was sore and I know I had organic inflammation."

"Lydia E. Pinkham's Vegetable Compound and Blood Purifier have helped me wonderfully. I don't have those pains any more and I am all right now. There are a great many women here who take your remedies and I have told others what they have done for me."—Mrs. CHAR. MCKINNON, 1013 N. 5th St. W., Cedar Rapids, Iowa.

Women who are suffering from those distressing ills peculiar to their sex should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

There are probably hundreds of thousands, perhaps millions of women in the United States who have been benefited by this famous old remedy, which was produced from roots and herbs over 30 years ago by a woman to relieve woman's suffering. If you are sick and need such a medicine, why don't you try it? If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

ANDERSON BOUT HELD AT NIGHT

LOS ANGELES, Cal., April 3.—The Kibane-Dundee featherweight championship at Vernon April 29 will

be staged at night according to Promoter McCarey's announcement today, and throughout the coming summer all Vernon bouts will be fought under spattering arc lights, McCarey believing that night battles will draw better during the summer and at the same time prevent a rivalry of attractions between boxing and baseball.

Bud Anderson and Kayo Brown will inaugurate the night bouts April 15 when they hook up for twenty rounds. Other cards soon will be announced. The July 4 attraction, however, probably will be staged in the afternoon.

The World's Largest Builders of Moderate Priced Automobiles

Overland

Study the Dealer as Intently as You Do the Car

Do not purchase an automobile of a dealer in whom you cannot have complete confidence. Personality is a large factor in business dealings. The dealer whose personality engenders your confidence in him, whose business principles are sound, who is prosperous and for whom owners of cars he has sold say good words is the logical man from whose firm you can safely purchase an automobile.

GOOD SERVICE with a poor car is a better buy than poor service with a good car.

If you would know the value of dealers' service in the operation of an automobile, you have but to consult men who have owned several different makes of cars and, if you will talk with any OVERLAND owner, you will appreciate the value of the type of service we furnish to the owner of an automobile.

All business is done solely on confidence.

Confidence of one man in another. If you cannot have confidence in a dealer who sells the car you have selected, then yours is an unsafe purchase.

The Service You Buy When Your Choice is an OVERLAND

There is scarcely any limit to which we will not go to insure OVERLAND owners the fullest satisfaction from their cars. We are more interested in you and your motoring interests after we have sold you the car than before you have bought. Yet, we realize that this is contrary to the attitude of the average automobile concern.

This service that we give you is but keeping faith with the Overland Company. There is a clause in our contract with the factory, which insures every purchaser of the highest standard of motor car service to be had, and this we cheerfully and rigidly adhere to in our deals with owners.

Its smooth, sweet-running mechanism gives a sensation of flying that is lacking in other cars. You can throttle it down to 5 miles an hour on high speed and pick up to 50 miles an hour with smoothness and ease that will be a revelation to you, if you have ever owned a car.

You can go through city traffic at 5 miles an hour on high, with every cylinder hitting as smoothly as if you were going ten times as fast.

Avoid Disappointment in Getting Delivery

In buying an Overland car from me, you can be sure of prompt delivery. I do not curbstone or sell from catalogue. You can select and try the car you buy. Cars always in stock.
