They will provide capacity for keeping a million trout fry to the fingerling state.

Decide Yourself

The Opportunity Is Here, Backed by Medford Testimony. Don't take our word for it. Don't depend on a stranger's statement. Read Medford endorsement. Read the statements of Medford citizens.

And decide for yourself. Here is one case of it: A. Betz, 139 Front St., Medford, Ore., says: "I am just as willing to recommend Doan's Kidney Pills today as I was in September 1907, when I publicly told of my experience with them. I suffered from kidney trouble for at least five years and as time passed I grew worse. Sharp pains darted through the small of my back and sometimes the attacks were so severe that I could hardly stoop. At night my back ached intensely and sound sleep was out of the question. Being told to try Doan's Kidney Pills, I got a supply and they soon gave me relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

STEALS MOTORCYCLE, BREAKS ARM, BUT TRAVELS ANYWAY

The local police force on Tuesday evening picked up a boy of 18, who looks 15, giving the name of John Brady, on telegraphic advice from Oakland, Cal. Brady is wanted for stealing a motorcycle.

Brady is said to have stolen the motorcycle at Oakland a few days ago and started north. Before he had got 10 miles on his road he collided with a telegraph pole and fractured his arm in two places. Binding it to a board he remounted the machine and rode to Richmond, Cal. where he had the arm set. He then purchased a ticket to Medford, expressed the motorcycle and came on through on the train. He was arrested shortly after his arrival here.

Brady is just a boy. An attempt will be made to have the matter settled out of court. The cycle he took belonged to a friend who loaned it to him Saturday afternoon to ride. The boy's arm is said to be in bad shape, owing to neglect.

With Medford trade is Medford made.
