SCHRICKER SAVES BANKER FAITH

BELLEVILLE, Wash., April 10.—Refusal of W. E. Schricker, the convicted La Conner banker, to testify against Jacob Furth and others today threatens to bring the trial of the Seattle banker to an abrupt finish.

Schricker's announcement came unexpectedly today. He had been brought from Walla Walla, where he served his term of one year for receiving deposits with the knowledge of his bank's insolvency, in the first trial of the four Seattle bankers in February, who are jointly charged with conspiracy to aid Schricker in receiving deposits.

As the first witness for the state, Schricker arose from his chair and dramatically claimed his constitutional right not to testify as it might incriminate him.

Mother's Advice To Her Daughter

A Real Live Doll to Fondle is Woman's Greatest Happiness.

One of the most important matters about which women concern themselves is their future status as a grandmother. And she is wisdom itself who knows of or learns of that famous remedy, Mother's Friend. This is an external application for the abdominal muscles and breasts. It certainly has a wonderful influence, always all fresh, banishes all pain, is a most grateful encouragement to the young, expectant mother, and permits her to go through the period happy in mind, free in body and thus destined to anticipate woman's greatest happiness as nature intended she should.

The action of Mother's Friend makes the muscles free, pliant and responsive to expansion. Thus all strain and tension upon the nerves and ligaments is avoided, and, in place of a period of discomfort and consequent dread, it is a season of calm repose and joyful expectation.

There is no nausea, no morning sickness, no nervous twitching, none of that constant strain known to so many women, hence Mother's Friend is really one of the greatest blessings that could be devised.

This splendid and certain remedy can be had of any druggist at \$1.00 a bottle, and is sure to prove of inestimable value, not only upon the mother, but upon the health and future of the child. Write to Bradford Regulator Co., 132 Lamar Bldg., Atlanta, Ga., for their book to expectant mothers.

LOTS OF BEAUTIFUL, GLOSSY HAIR, NO DANDRUFF—25 CENT "DANDERINE"

HAIR COMING OUT?—IF DRY, BRITTLE, THIN OR YOUR SCALP ITCHES AND IS FULL OF DANDRUFF—USE "DANDERINE"

Within 10 minutes after an application of Danderine you cannot find a single trace of dandruff or a loose or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you will actually see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine will immediately double the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small

strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a 25-cent bottle of Knawilton's Danderine from any drug store or toilet counter, and prove to yourself tonight—now—that your hair is as pretty and soft as any that it has been neglected or injured by careless treatment—that a little Danderine will have beautiful hair and lots of it if you will just try a little Danderine.
