LOCAL JOYRIDERS CAUGHT IN RAID ON ROOMING HOUSE

Six joy riders from Medford were arrested at Ashland Sunday night during the raids by the police in search of opium and carried to the police court, where they put up a bond of $50 for their appearance. They were Al Hermiston, Merrill Kellogg, E. L. Roth, Walter Brown, Hazel Williamson and Hazel McCoy. The last two names are said to be fictitious, Hazel McCoy being Mrs. Julia Levenbury, proprietress of the Royal rooming house, according to the officers, and Hazel Williamson an inmate of the place whose real name is said to be unknown.

The party is said to have been making the night hideous at the Imperial rooming house at Ashland. The officers when they raided the place put A. H. Woodburn, proprietor of the place, under arrest, as they found two complete opium outfits in the place. The joy riders were only held for disturbing the peace.

Following this raid Jim Ling's place was raided, four more opium outfits being found. Ling and another Chinaman were arrested, but only Ling was held. Ling and Woodburn will probably be given their preliminary hearing soon before Justice Hurd of Ashland. Some effort was made to transfer the case to Ashland, but this has not as yet been done.

MEDFORD HEN LAYS RECORD SIZED EGG

Three minutes after a Mail Tribune containing an account of a record breaking Washington egg had been thrown into Mrs. E. F. A. Bittner's chicken yard a diminutive White Leghorn biddie perused the item and was stimulated to outdo her Washington cousin. As a result today Mrs. Bittner has on exhibition an egg measuring 6¼ inches in the smaller circumference and 7½ inches in the larger. The hen that laid it weighs but three pounds, so, with growth, a new record may be looked for. Mrs. Bittner will believe that this egg holds the record for the valley until larger measurements are submitted.

EIGHTH GRADE EXAMS ARE AUTHORIZED BY WELLS

To teachers and applicants for eighth grade diplomas:

I am authorized by the state superintendent of public instruction to announce the following plan for final eighth grade examination in the subject of agriculture:

1. Twelve questions will be submitted from which the pupils may choose ten.

2. If the pupil has a garden or has done any creditable work in agriculture, the teacher may give 30 per cent for such work. In this case the pupil need answer only seven questions out of the twelve submitted.

3. If a pupil falls low in this subject, the county superintendent may add not more than 25 per cent for a creditable exhibit at a local, county, or state fair.

Yours truly,
J. PERCY WELLS,
County School Supt.

ASHLAND PROUD OF AN INCUBATOR BABY

The tinest mite of humanity probably ever born in Ashland is the little daughter of Mr. and Mrs. C. J. Perrine, which weighed at the time of its birth between two and two and one-half pounds. The little one was born about two weeks ago, and although the mother's life was at one time despaired of, she is now getting along nicely. The little one is also thriving and the hospital authorities have high hopes of its growing to normal size and weight. At present it is being carefully cared for and artificial heat maintained with an electric stove.—Ashland Tidings.

HUMOROUS AND PRACTICAL LECTURE.

On Wednesday evening of next week, April 23, at 8 o'clock, Rev. E. Olin Eldridge will deliver in the Methodist Episcopal church a humorous and practical lecture. Subject: "Comfort for Ugly People." This lecture is under the auspices of the Ladies' Aid society and for the benefit of Willamette university. Rev. Eldridge is a man of wide experience and an entertaining and profitable speaker.

Meritol Eczema Remedy will clear up your skin and remove those disagreeable sores. Haskins Drug Store.

FIRST COLD NIGHT OF SEASON PASSES; FIRES SAVE FRUIT

The first cold night of the frost season passed Monday night without injury to the fruit in the valley. The temperature ranged between 28 and 30 degrees and smudging was resorted to in a majority of the orchards. The pots were fired about 4:30 a. m. and only burned for about one hour. Frost is predicted again for tonight, but the barometer may drop this afternoon, which will cause a rise in temperature. Orchardists are warned to keep an eye on developments.

The temperature did not fall low enough Monday night to cause any great alarm, Howells and Bosc being in the greatest danger. All of the pears are set now and consequently in some degree of danger.

The temperatures recorded Monday night are as follows: Potter and Gould, 29; Bear Creek, 28; Midvale, 30.5; Holloway, 30; George Carpenter, 29; Gore, 30; Barnum, 30; Allen, 28; Medford, 30; Snowy Butte, 28.5; Table Rock, 28.

TO PUT RECALL ON JUDGE WORDEN

KLAMATH FALLS, Ore., April 22.—It is expected that County Judge W. S. Worden will not be the only Klamath county official who will be forced to face a recall. The action of Prosecuting Attorney John Irwin, in the dismissal of several criminal cases, his conduct in the cases brought against the county court, and in other official acts has incurred a great deal of public criticism and there is strong talk of a recall proceeding. It is alleged that Irwin, without going into the evidence available, had the bribery indictments against Councilmen Goeller and Savidge and the extortion indictment against Hunter Savidge dismissed. It is also charged that it is through dilatory methods that the criminal charge against J. D. Carroll, of perpetual defendant fame, will never be brought to trial, as the complaining witness has removed to Florida. The petition having for its object the recall of Worden is receiving numerous signers and the indications are that the number of signers required to bring about the election will be secured.

BEAR CREEK PAVING TO BEGIN NEXT WEEK

The Clark-Henery company, holders of the contract for the paving of the Bear Creek bridge, and the approaches thereto, will begin actual work on the structure next week. According to a telegram received by Mayor Elfert Monday the asphalt plant of the company was shipped from Stockton, California, and should arrive in Medford by the end of the week. Robert W. Telfer is expected to arrive in Medford this week to arrange the preliminary details.

At the last meeting of the city council, a resolution was passed providing that the paving on the bridge be completed by May 15th, and ready for public use at that time. The new Page theater will be opened, according to present plans April 19th, and the dedication of the two structures will be at the same time.

LAXATIVE FOR OLD PEOPLE—"CASCARETS."

What Glasses Are to Weak Eyes, Cascarets Are to Weak Bowels—a 10-cent Box Will Truly Amaze You

Most old people must give to the bowels some regular help, else they suffer from constipation. The condition is perfectly natural. It is just as natural as it is for old people to walk slowly. For age is never so active as youth. The muscles are less elastic. And the bowels are muscles.

So all old people need Cascarets. One might as well refuse to aid weak eyes with glasses as to neglect this gentle aid to the bowels. The bowels must be kept active. This is important at all ages, but never so much as at fifty.

Age is not a time for harsh physics. Youth may occasionally whip the bowels into activity. But a lash can't be used every day. What the bowels of the old need is a gentle and natural tonic. One that can be constantly used without harm. The only such tonic is Cascarets and they cost only 10 cents per box at any drug store. They work while you sleep.

ANALYSIS WILL DETERMINE SITE CEMENT FACTORY

Extensive analysis of the deposits of limestone at Gold Hill which are now being made will determine whether the $600,000 cement plant to be erected by the Beaver Portland Cement company will be located at Gold Hill or on some other property owned by the company, according to J. C. Burch, one of the directors of the company, who is at present in Medford. Mr. Burch says that in Josephine, Douglas and Jackson counties the company owns property and tests will decide where the plant will be constructed.

"It is true that we are at work near Gold Hill," stated Mr. Burch, "but it is only for the purpose of making complete tests Similar tests are also being made on other properties. We are ready to go ahead as soon as we determine on the location of the plant."

$30,000 SLANDER CASE TRIED AT GRANTS PASS

GRANTS PASS, April 22.—Judge Calkins is hearing in the circuit court the case of Mrs. Alice Rogers versus Rev. W. G. Smith, formerly of Medford, the case coming from Glendale, where both parties formerly lived. In the complaint Mrs. Rogers charges that Smith made slanderous remarks concerning her morality, and asks for punitive damages in the amount of $20,000, three separate counts being included in the complaint, and $10,000 is asked upon each. Numerous witnesses are here to testify in the case. This case is being heard before a jury composed of Herbert Smith, A. H. Noyes, M. T. Utley, S. S. Shaffer, C. E. Phillips, H. M. Yarbrough, Nichols Prehn, S. S. Morey, R. A. N. Reymers, W. L. Regis, Paul Ruttencutter, and W. A. Trefren. Mrs. Alice Rogers, the plaintiff to the action, is represented by Attorney R. G. Smith, while Attorneys Durham and Richard are looking after the interests of the defendant.

PORTLAND'S NEWEST BRIDGE IS DEDICATED

PORTLAND, Ore., April 22—The city's newest bridge across the Willamette river was dedicated this afternoon with thousands of people lining the approaches. A bevy of tiny girls, daughters of citizens who were instrumental in making the bridge possible, assisted in the christening. The opening of the structure was marked with elaborate ceremonies, including an automobile parade two miles in length.

The bridge was built at a cost of $1,600,000 and spans the river in North Portland connecting the East and West Sides.

CURRY SLATED FOR PHILIPPINE COMMISSION

WASAHINGTON, April 22.—It was reported here today that George Curry, former governor of New Mexico and at one time governor of three Philippine provinces, is slated for nomination as a member of the new Philippine commission.

Climate Failed; Medicine Effective

It has been absolutely shown that rest, fresh air and good food do help many persons suffering from Tuberculosis. But it must be admitted that the disease is seldom more than "arrested." Something more is needed.

Eckman's Alterative is a medicine made for the treatment of Tuberculosis. It has conquered this disease again and again. Often these benefits have been effected where the surroundings were not ideal—yet recoveries resulted. Now we argue that Eckman's Alterative should be used in every case of Tuberculosis, in addition to good, nourishing food and fresh air, which we all need. A remarkable case follows:

Weiden, Ill.

"Gentlemen: Through Eckman's Alterative I have been saved from a premature grave. On December 14, 1904, I was taken with Typhoid Pneumonia. My lungs became very much affected; my sputum was examined and Tuberculosis Bacilli were found. On February 21, 1905, I was advised to go to Fort Worth, Texas. While there an abscess in my right lung broke and discharged. I grew worse, and became very much emaciated. My physician informed me that I must go to Colorado as quickly as possible. I left Texas, June 21 and arrived in Canon City, June 2 very feeble. After being there two weeks, my physician informed me that my case was hopeless. Three weeks later I returned home, weighing 103 pounds, the doctor having given me no assurance of reaching there alive.

"On July 14, 1905, I began taking Eckman's wonderful remedy for Consumption. Today I weigh 158 pounds. I am stout and well and can do any kind of work about my grain elevator. I have not an ache nor pain in my lungs, eat well, sleep well, and never felt better."

(Sworn affidavit) ARTHUR WEBB.

Eckman's Alterative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in upbuilding the system. Does not contain poisons, opiates or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia Pa., for more evidence. For sale by all leading druggists

The Satisfied Smile

is generally to be found on the lips of the man who has perfect teeth, and the smile becomes him under such conditions. Let us have charge of your teeth and care for them, and we will guarantee that they will never pain you and never shame you in public. We are familiar with all branches of the profession and our charges are reasonable.
