ENGLAND JOINS NATIONS IN PROTEST AGAINST TARIFF

WASHINGTON, May 5.—The British government joined the nations in protest against that portion of the tariff bill that extends a preferential difference of five per cent on goods imported in American bottoms. One

of his first acts of Sir Cecil Spring Rice, the new British ambassador, was to call the attention of the state department to this provision as a violation existing in the treaty of trade and commerce between America and Great Britain. With Medford trade is Medford made.
