# HAS SAVED POPE PIUS X

three years word has come from Rome that Pope Pins X, was so ill that he could not last nuch longer. Hiss illness has usually been due to overwork. Then has come the news that Professor Marchiafava has taken charge and overruled the laws of the Vatican and the traditions which surround the Pope. He has generally forced the Pontiff to take to his bed for a few days. Thereupon, recovery has followed. In the Pope's illness of March and April the professor took charge, and despite reports that the Pontiff would ot last more than a few days, he has recovered sufficiently to attend

#### GIVE FREE TRADE TRIAL ADVISES TAFT

NEW HAVEN, Conn., May 6. Give President Wilson and his tariff reforms an opportunity to display their value, is the plea here today of former President William II. Taft, now Kent Professor of Law at Yale.

"If we are to have free trade," said Professor Taft, "let's have it. Let the party that favors it, vote for it. Let's try it."

## **CUMMINGS PLANS** IRRIGATION SYSTEM

danning an irrigation system on the will eventually furnish water to much of the land in that metion. Present plans, however, call for the construction of a pumping plant which will irrigate about 100 neros.

The plan as it will eventually betollowed calls for the construction red rubber dell from a top shop to of a canal four falles in longth and his year old baby, Clemencits.
