## PARISIAN SAGE

The Hair Grower Now Sold in America on Money Back Plan

It's a mighty good thing for the women of America that Parisian Sage can now be obtained in every town of consequence.

No preparation for the hair has done so much to stop falling hair and eradicate dandruff and make women's hair beautiful as Parisian Sage. Parisian Sage is the only certain destroyer of the dandruff microbe which is the cause of 97 per cent of hair troubles.

These pernicious, persistent and destructive little devils thrive on the ordinary hair tonics.

Parisian Sage is such an extraordinary and quick acting rejuvenator that Chas. Strang, who is the agent in Medford, guarantees it to cure dandruff, stop falling hair and itching scalp in two weeks or money back.

It is a magnificent dressing for women who desire luxuriant, lustrous hair that compels admiration. And a large bottle of Parisian Sage costs only 50 cents at Chas. Strang's and leading druggists all over America.

So anxious were Chauffeurs Hall and Alexander to return to the race track for more fares Wednesday afternoon that they threw caution and city ordinances to the winds and raced wide open for the gates. This morning they paid a fine of \$10 each, a convincing argument that less speed would have meant more profits. Residents along the line who saw the boys speed by declare it was one of the greatest races ever pulled off on a Medford street but are nevertheless rejoiced to know that the city is curbing the dangerous practice.

## HUSBAND TIRED OF SEEING HER SUFFER

Procured Lydia E. Pinkham's Vegetable Compound, which made His Wife a Well Woman.

Middletown, Pa.—"I had headache, backache and such awful bearing down pains that I could not be on my feet at times and I had organic inflammation so badly that I was not able to do my work. I could not get a good meal for my husband and one child. My neighbors said they thought my suffering was terrible."

"My husband got tired of seeing me suffer and one night went to the drug store and got me a bottle of Lydia E. Pinkham's Vegetable Compound and told me I must take it. I can't tell you all I suffered and I can't tell you all that your medicine has done for me. I was greatly benefited from the first and it has made me a well woman. I can do all my housework and even helped some of my friends as well. I think it is a wonderful help to all suffering women. I have got several to take it after seeing what it has done for me."—Mrs. EMMA ESPENSHADE, 219 East Main St., Middletown, Pa.

The Pinkham record is a proud and honorable one. It is a record of constant victory over the obstinate ills of woman—ills that deal out despair. It is an established fact that Lydia E. Pinkham's Vegetable Compound has restored health to thousands of such suffering women. Why don't you try it if you need such a medicine?

If you want special advice write to Lydia E. Pinkham Medicine Co. (consultants) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
