#### MOMYR AND STEEL.

THE ASHLAND RECORD betrays remarkable ignor-ance of history, strange unfamiliarity with local conditions, and woeful lack of appreciation of merit when it affects to champion the candidacy of H. E. Momyr of Klamath Falls for the superintendency of Crater Lake Na-

With all due respect to Mr. Momyr, his appointment would be a sorry joke on the park and its interests. He has not a single qualification and no conception of what the park or the position should be. He would be a sad misfit. He has never done anything for the park and is one, Eddie Grancy has today more die Grancy in Portland. Grancy not fitted by education, training or experience to do anything for it. And what makes the case absolutely hope- July 4. Grauey's biggest piece of battle in San Francisco on July 4. less is that he does not and cannot realize his own incapac- artiflery is Billy Nolan's promise that The option expires on Monday next.

Mr. Momyr's sole claim to consideration is that he is a Francisco on Independence Day and have not come to torms, I shall Democrat. But no one ever knew it before he became a his second biggest gun is Bud Ander- match Ritchie with Freddie Weish for candidate for the office. He has never done anything for himself in such a manner as to enchre out at Brighouse, near Vancouver. democracy, either fundamental Democracy or partisan himself out of a chance at the title, under the management of Chot Me-Democracy. But he has been a federal office holder for Anderson is here today bubbling latter and his associates." many years under a republican administration.

Mr. Momyr has had the position of forest ranger in had any sort of a string attached to ing as to where Ritchie will next dethe national park for some years. His duties consisted in him, he would not permit it to hold fend his title and who will be his opregistering the names of visitors and collecting a dollar him back from the greatest oppor- ponent. The speaker was Billy Noeach from automobile drivers. That's all, except perhaps tunity that ever comes to a boxer. in cash, a United States treasury pay trying to discourage people from going to the park. He is check for \$400 and Fay Colvin, night a charter member of the can't do it club when it comes to scaring away tourists, and in this respect alone his appoint- still has hopes of landing Ritchie, ment would be a calamity. There can be no comparison must know by this time that his between Momyr and Steel. They are not in the same one best bet to figure upon there.

Crater Lake owes its present prominence to Will G. in this he undoubtedly will be doomed Steel. For twenty years he spent his own time, money to disappointment. Anderson is fairand energy in its behalf. His constant agitation resulted, ly hungering for a grack at Ritchie after many trips to Washington, in having it created a any hemming or having. This would national park. His lobbying, year after year, part of the leave McCarey without a good opchartered a taxicab, rode to the Manx time financed by Jackson county, has secured the appro- ponent for Rivers and with a conpriation for its improvement. He disposed of the interest tingency of this sort confronting him he had in the Crater Lake company a year ago and there he in all probability would make the is not a valid reason why he should not be appointed—sim- Rivers to Graney, as Rivers would

It is true Mr. Steel is not a Democrat, though he is a here than he could possibly hope to fundamental democrat, but the position should not be draw against a mediocre boxer in made the spoils of politics. It should go to one like Mr. Steel, in whose life the park plays a vital part, whose labor for the improvement and beautification is one of love and Granev. enthusiasm, almost a religion.

It is not a question of Portland at all. Mr. Steel is nominally a resident of that city but has spent half his life IN FRISCO MELEE nominally a resident of that city but has spent half his life in Southern Oregon—and most of it in the mountains. He is broadly representative of the entire state and his candidacy originated in Southern Oregon.

Regarding Mr. Steel and Crater Lake, the Portland the St. Nicholas club. It was said Journal, the democratic organ of Oregon, voices the opin- that Cross has accepted the club's ing members of the Light and Power ion of nineteen-twentieths of the people of Oregon when it

His friends are arging Will G. Steel for appointment by President Wilson to the superintendency of Craier Lake Park.

No selection could be more fit. No superintendent could be so well

For nearly thirty years Mr. Steel has planned and pleaded for Crater weight. Anderson is due in San Lake. His love of nature was his inspiration for the development of this great scenic wonder. By endowment and by the bent of his life, his by boat and Premoter Eddie Graney endeavor for the park has been inevitable.

Farley identified J. W. Krompton, a reasoned. Until a recent appropriation, he had from his personal means strikebreaker as the knife wielder. spent more money on the park than had been expended on it by the United

States government. He originated the idea for the present national expenditure on roads for the park, and was the promoter of the effort to secure the initial appre pristion, which contemplates a final expenditure of \$700,000. He sees and comprehends, as does no other living man, the possibilities, and he is the one man of all others to be given the position that will enable him to help guide the future development work.

Mr. Steel is not a democrat, but neither is Crater Lake. It is no probable that President Wilson will desire to partyize a park.
