COAST RAILROAD PROJECTORS BUSY

Dr. J. F. Reddy returned to Grants Pass Sunday having arrived Saturday from Crescent City. He is confident that the Pacific Interior railroad to Crescent City has been successfully planned although it will be necessary to hold another election to validate the bonds issued by the city of Grants Pass.

Legal technicalities to please the bond buyers, must be complied with to satisfy the purchasers, states Dr. Reddy, "but the syndicate we are negotiating with will in all probability build the road. Some \$25,000 in city warrants, have been sent for the syndicate to cash, to be replaced by bonds, and if this money is forthcoming it will make a total of \$35,000 the syndicate has so far invested as an earnest of good intentions."

Lungs Affected By Rheumatism

Pneumonia, Bronchitis, Asthma and Anemia Often Directly the Results of Rheumatic Blood.

If you have a persistent, nagging bronchial cough beware of cough remedies. They are merely local in action, and if they do relieve it is the narcotics that do it. What you require is a blood purifier, a searching antidote that removes from the circulation the acid poisons that by their reflex attack all weakened, susceptible spots and thus create local symptoms.
