Mother's Friend in Every Home

Comfort and Safety Assured Before the Arrival of the Stork.

In thousands of American homes there is a bottle of Mother's Friend that has aided many a woman through the trying ordeal, saved her from suffering and pain, kept her in health in advance of baby's coming, and had a wonderful influence in developing a lovely disposition in the child.

There is no other remedy so truly a help to nature. It relieves the pain and discomfort caused by the strain on the ligaments, makes pliant those fibres and muscles which nature is expanding and soothes the inflammation of breast glands.

Mother's Friend is an external remedy, and not only banishes all distress in advance, but assures a speedy recovery for the mother. Thus she becomes a healthy woman with all her strength preserved to thoroughly enjoy the rearing of her child. Mother's Friend can be had at any drug store at \$1.00 a bottle. Write to Bradfield Regulator Co., 228 Lamar Bldg., Atlanta, Ga., for their free book. Write to-day. It is most instructive.

When You Buy Shoes Shirts Collars—

you assure yourself of a satisfactory fit in advance. No taking of measures, not out of town "making order" for you. Still, many men who employ this common-sense method of buying the minor articles of dress, will "take a chance" on having a suit made to order by the "long distance method."

Any one who has tried this method will tell you that the chances are against him,—that the results are disappointing and that in the future he wants to know in advance what he is buying. We can fit you to your entire satisfaction, the mirror and your own eyes for proof. Why spend three weeks to buy a suit that can be bought and fitted here within thirty minutes for less money?
