

FRIEDMANN'S CURE IS DENOUNCED BY HIS OWN BROTHER

COLORADO SPRINGS, Colo., June 3.—Denouncing the action of Dr. Frederick Franz Friedmann in selling his tuberculosis as a "gross injustice to mankind," said Dr. A. C. H. Friedmann, brother of the Berlin discoverer, returned here today from the east, where he went to argue against the sale.

"No ethical, indeed, I may say, no medically thinking physician will use the Friedmann remedy under existing conditions," said Dr. A. C. H. Friedmann. "I would not blame my brother for trying to realize a reasonable financial remuneration for his remedy once it was established that the treatment is all that is claimed for it, but he has tied it up in such a way that only a very small percentage of tubercular sufferers may avail themselves of it."

"I believe my brother is on the right track but—partly unintentionally—he has done everything to obscure and minimize the possibilities of his discovery. He claims to have found and cultivated a bacillus which, injected into a tubercular organism, exhibits a specific reaction and quickly shows eminent curative properties of the various forms of tuberculosis. But the results so far obtained in America do not correspond with those assertions."

DIED.

STANLEY—Mrs. Mary L. Stanley, who left Ashland about six weeks ago, died Saturday, May 31, at the home of her son, George Stanley, at Eugene. She was 59 years 7 months and 23 days old. The remains were interred at Ashland Monday.

HUNTLEY—John Huntley of Ashland passed away at his home Sunday morning. Funeral services were held from the family residence Monday. He was born at West Bend, Wis., March 3, 1852, and has been a resident of Ashland for several years. He leaves several children.

Warm Weather Predicted.

PORTLAND, Ore., June 3.—Weather forecast: Oregon and Washington: Fair tonight and Wednesday; continued warm; winds mostly westerly.

MEDFORD WILL CELEBRATE JULY 4

A Fourth of July celebration was determined upon for Medford Monday evening at a mass meeting called by the Merchants' association at the city hall.

At the meeting Monday night E. C. Gaddis was chosen permanent chairman, J. W. Diamond, secretary, and John Sheridan, treasurer. The following committees were appointed: Finance and executive—Mayor W. W. Eiferl, Dr. J. L. Helms, H. D. McBride.

Program—H. W. Whittington, A. K. Ware, C. E. Gates.

Advertising—Geo. Putnam, S. B. Smith, A. S. Rosenbaum.

Parade—C. S. Lebo, A. J. Vance, L. B. Haskins, S. Richardson, Ed Andrews.

Speech—Dr. J. L. Helms, S. Wolf, S. I. Brown, J. W. Diamond.

Decorating—A. C. Hubbard, B. Klum, Van R. Pierson.

It was decided that no concessions will be granted for the day that conflict with the business concerns of the city and S. I. Brown and H. Whittington were appointed to look after the same.

MRS. F. D. WAGNER'S FATHER PASSES AWAY IN KANSAS

Mrs. F. D. Wagner received a telegram Memorial day bringing the sad news of the death of her father, W. E. Case, at his home in Cherry Vale, Kan., says the Ashland Tidings. While there were no particulars as to the cause of his death, he had been subject to attacks of heart failure, and it is supposed that one of these caused his death. Mrs. Wagner left Saturday morning for Portland, where she will be joined by her sister, Miss Ida Case, formerly a teacher in the Ashland schools, but now teaching in Tacoma, and they will journey together to their old home to attend the funeral. Mr. Wagner is in California upon an auto trip and could not be reached by wire. The three little sons of Mr. and Mrs. Wagner remained in the city, being cared for at the home of their aunt and uncle, Mr. and Mrs. A. E. Kinney. Mr. Case had visited here several times and formed a circle of friends who will sincerely regret to learn of his death. Mrs. Wagner and family have the sympathy of all in their bereavement.

THREE LODS TO INSTALL A MILL

A meeting of the Three Lodes Mining company, was held Saturday afternoon. The following officers were chosen: President, C. W. Wickstrom; vice president, Wm. J. Scott; secretary and manager, A. T. Brown; treasurer, George R. Lindley; directors, Wm. J. Scott, O. M. Selby, N. L. Townsend, Barr, C. W. Wickstrom, J. Klipple and A. T. Brown.

The company owns eighteen claims on the Oriole and Big Yank veins in the Galice creek district. Next to the Alameda this is the largest group in this famous district.

It was decided at the meeting to install a mill and other machinery which will give a daily capacity of at least 100 tons. This plant will, however, be only a unit of the larger reduction works which will be installed later.

The Galice district is now becoming active. The Oriole which is just north of the Three Lodes will have its first mills in operation in a few days, and since the ores are of very high grade it is expected it will enlarge shortly. The Sugar Pine, which joins the Three Lodes on the west, is now working again. The Alameda, Black Bear, and other quartz mines near are all active.

L. W. Whiting, now acting as engineer for the company, has been in California lately examining mills and mining machinery, in order to obtain the kind which is most adapted to the companies ores.

KING OF ENGLAND FORTY-EIGHT TODAY

LONDON, June 3.—King George today celebrated his 48th birthday, and in honor of the event salutes were fired and flags hoisted at every naval and military station throughout the British empire. At every garrison town in every British possession military parades were held, the most important being that in London, where on the spacious Horse Guards parade grounds at St. James' Park the king reviewed his guards and conducted the picturesque and impressive ceremony known as "trooping of the colors."

FEW CONTRIBUTIONS FOR SANE FOURTH

NEW YORK, June 3.—New York is up against it for funds to provide a dangerless Fourth of July celebration. It was announced today that after the "safe and sane committee" had been soliciting funds for about 10 days, it has in hand less than \$10,000. Two thousand of this was left over from last year. The \$10,000, said the committee in its announcement today, isn't a drop in the bucket, for it takes something like \$50,000 to \$60,000 for the big town to properly celebrate the signing of the Declaration of Independence.

New York, claiming the original patent on the Fourth safely celebrated, feels it is of nation-wide importance that Father Knickerbocker keeps up the good work. In the local committee's plea for funds some interesting figures regarding decreases in the Fourth death roll since safe and sane programs were instituted are given. In 1909 215 were killed; 5092 injured. In 1910 131 were killed, 2792 injured. In 1911 57 were killed, 1546 injured. In 1912 41 were killed and 947 injured. Of the deaths throughout the country last year there were two in Chicago, two in Philadelphia, and two in Detroit. New York City had only one fatality, and 58 injured. In Philadelphia 127 were injured.

IGNORANCE ROAD LAWS LEADS TO COLLISION

Because young MacDonald had come so recently from British Columbia that he had not learned to turn to the right rather than the left, he escaped death by a narrow margin when he collided with Fruit Inspector J. W. Meyer's automobile at 5 o'clock Monday. The wheel the young man was riding was completely demolished and he was badly bruised and scratched.

Mr. Meyer was going toward Central Point at the time, and expected MacDonald to turn to the right as usual. The latter on the contrary expected Mr. Meyer to turn to the left, as in Canada, and turned to the left himself. The car and bicycle collided with great violence, so that Mr. MacDonald's escape is remarkable. He was taken to Dr. Porter's office for repairs.

With Medford trade is Medford made.

EPWORTH LEAGUE CHOSSES GRANTS PASS FOR 1914 MEETING

The Southern Oregon Epworth League convention at Ashland concluded its labors and adjourned Sunday evening after an address by Dr. Holman, president of Willamette University. Grants Pass was selected for the 1914 convention. The following officers were elected:

President—Ruth Young, Grants Pass.

First Vice-President—Glean Conwell, Medford.

Second Vice-President—Myrtle Gleason, Central Point.

Third Vice-President—Anna Caldwell, Roseburg.

Fourth Vice-President—Blanche Wilson, Willbur.

Secretary—Roland Jeffreys, Grant Pass.

Treasurer—E. M. Chilcote, Klamath Falls.

Junior League Superintendent—Jessie Hathaway, Ashland.

Over 100 delegates were in attendance, among them being the following:

From Medford: Bernice Smith, Velma Woods, Annie J. Bateman, Virginia Carder, Edith Chidester, H. D. Manning, Hazel I. Dean, E. O. Conklin, Bernice Carder, Glenn B. Conwell, Mrs. Glenn B. Conwell, Mary Hess, Edna Randle, Ralph Balcom, Leon Lawton, Percy Woods, Mrs. Percy Wood, H. A. Canady, George J. Kuzman, Mary Tinker.

From Jacksonville: H. W. Rumell, Ernest Neidermeyer, Ora Stout, Mrs. Ora Stout, Alice Hoefs, Charley Abbott.

From Talent: L. C. Lily, George E. Jeffrey, Clarence Jeffrey.

Expense Stops When Your Cooking Stops

That is one of the big advantages of the

New Perfection Oil Cook-stove

When you are through cooking you simply turn out the flame. There is no waste of fuel. And yet you can have full heat again when it's wanted, by merely striking a match.

The NEW PERFECTION COOK STOVE is much neater and cleaner than an ordinary range; no dirty fuel; no ashes. Ask your dealer for the New Perfection Stove. It bakes, broils, roasts or toasts.
